1. Welcome and objectives for the meeting

The Chair welcomed the committee members and attendees to the second meeting on Joint replacement (primary): hip, knee and shoulder. The committee members and attendees introduced themselves.

The Chair informed the committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: finalising review protocols and establishing the health economic priorities.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was tranexamic acid, preventing infection, wrong implant selection, joint replacement surgery and long-term monitoring.

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting.
