1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to GCOM9 on Diabetes. The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: presentation of clinical evidence and draft recommendations on diagnosis and discussion on periodontal treatment to improve diabetic control.

The Chair asked everyone to verbally declare any interests. Please refer to the published DOI registry.

The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from fully participating in this meeting.

The Chair asked the Committee if it wanted any changes made to the minutes of GCOM8. The Committee agreed that the minutes were a true and accurate account of the meetings.

2 & 3. Diagnosis evidence review – presentation of clinical evidence

The Chair introduced Joseph Crutwell, Technical Analyst, who gave a presentation on the clinical evidence relating to diagnosis. The Chair thanked Joseph for his presentation and facilitated a committee discussion.

4. Committee discussion

The Chair facilitated further committee discussion on the presentation of clinical evidence heard during items 2 and 3. The Chair thanked the NICE team and the committee for their contributions.

5. In adults with type 1 and type 2 diabetes, what is the effectiveness of periodontal treatment to improve diabetic control?

- Review protocol discussion

The Chair introduced, Shreya Shukla Technical Analyst who introduced the review

protocol for periodontal treatment to improve diabetic control. The Chair thanked Shreya her presentation and facilitated a committee discussion.

6. In adults with type 1 and type 2 diabetes, what is the effectiveness of periodontal treatment to improve diabetic control?

- Health economics discussion

The Chair introduced Joshua Pink, Technical Advisor (Health Economics) who facilitated a discussion on the proposed approach for health economics on this review. The committee answered queries from Joshua. The Chair thanked Joshua and the committee for their contributions to the discussion.

7. AOB, Summary and next steps

Christine Harris, Project Manager provided a brief overview of the key upcoming deadlines for this guideline update.

8. Meeting close

The Chair thanked the NICE team and committee members and closed the meeting.

Date of next meeting: Monday 1st June 9.30 to 5.00pm
