1. Welcome and objectives for the meeting
<p>The Chair welcomed the committee members and attendees to the 14th committee meeting of the Diabetes Suite.</p> <p>The Chair informed the committee that apologies had been received. These are noted above.</p> <p>The objectives of the meeting were outlined, which included the presentation and discussion of clinical evidence and health economic modelling for periodontal treatment.</p> <p>The Chair asked everyone to verbally declare any interests. No new interests were declared.</p>

<p>2. Periodontal review - Adults</p>
<p>The Chair introduced Teuta Gjuladin-Hellon, Technical Analyst, who presented clinical evidence relating to periodontal treatments for adults with type 1 and type 2 diabetes. The committee asked questions and discussed the evidence. The Chair thanked Teuta for her presentation and the committee for their contributions.</p>
<p>3. Periodontal review – children</p>
<p>The Chair introduced Teuta Gjuladin-Hellon, Technical Analyst, who presented clinical evidence relating to periodontal treatment for children and young people with type 1 and type 2 diabetes. A committee discussion followed. The Chair thanked Teuta for her presentation and the committee for their contributions.</p>
<p>4. Periodontal review – health economic modelling</p>
<p>The Chair introduced Steph Armstrong and Kirsty Hounsell, Technical Analysts who presented health economic modelling relating to periodontal treatment for diabetic control in adults. The committee discussed the points raised as part of the presentation. The Chair thanked Steph and Kirsty for their presentations and the committee for their input.</p>
<p>5. Periodontal review – committee discussion</p>
<p>The Chair facilitated further committee discussion on the clinical evidence and health economic modelling presented earlier. The Chair thanked the committee for their contributions.</p>
<p>6. Equality Impact Assessment</p>
<p>Caroline Mulvihill facilitated a committee discussion on equality considerations in relation to periodontal treatments. The Chair thanked Caroline and the committee for their contributions.</p>
<p>7. New commissions</p>
<p>Caroline Mulvihill provided a brief overview of two new commissions which would commence scoping shortly.</p> <ul style="list-style-type: none"> • Type 2 medicines for children and young people • Diabetic foot <p>The Chair thanked Caroline for the update.</p>
<p>8. Horizon scanning activity on diabetes</p>

The Chair introduced Toni Tan, Senior Technical Adviser who presented an overview of horizon scanning activity on diabetes at NICE. The Chair thanked Toni for her presentation.

9. AOB, next steps and summary

Adam O’Keefe, Project Manager provided a brief overview of the next steps and key deadlines on the run up to publication for this update.

The Chair then asked the committee and project team if there were any further matters to raise. No further matters were discussed.

10. Meeting close

The Chair thanked the NICE team and committee members and closed the meeting.

Date of next meeting: GCOM15: Periodontal review Monday 9th May 9.00am to 17.00pm
