

2024 exceptional surveillance of caesarean birth (NICE guideline NG192)

Surveillance report

Published: 24 October 2024

www.nice.org.uk

In October 2024, we reviewed the evidence and considered the forthcoming Scientific Interest Paper from the Royal College of Obstetricians and Gynaecologists (RCOG).

Surveillance decision

We plan to update the guideline to include a statement on the disimpaction of the fetal head, directing practitioners to the forthcoming Scientific Interest Paper from the Royal College of Obstetricians and Gynaecologists (RCOG) on this topic.
