Polly Ashworth	Committee Member	Direct non-financial	<p>Working in my NHS role I have provided some consultancy to the developers of the Pain Management Plan (http://www.pain-management-plan.co.uk) commenting on the content of the book and feedback to the developers of the app. Working in my NHS role I helped with the development of their training materials. My service has provided support to the developers by running service evaluations. The app developers (http://pain-sense.co.uk/the-apps/pmp/) have assisted by giving the service some free app licenses and approximately four tablet computers for demonstrating the app. I have not received any financial payments for this work.</p> <p>I do not work in private practice.</p>	2009	On application	Ongoing	<p>Specific</p> <p>No action other than the process of open declaration</p>
		Direct financial	Training pharmacists in psychological aspects of chronic pain for Morph Consultancy Ltd.	26/02/2019	26/03/2019	26/03/2019	<p>Non-specific</p> <p>No action other than the process</p>

							of open declaration
Chris Barker	Committee member	Direct financial	I currently work on a contractual basis for an independent healthcare company (Connect i Health). I work as a pain specialist one day per week providing clinical support to their NHS patient clinics, and strategic support for their UK delivery of community pain services.	On application	On application	Ongoing	Non-specific No action other than the process of open declaration
		Direct non-financial	I am a member of EFIC CRPS standards committee currently developing European standards for the diagnosis and management of CRPS. The most recent meeting was in June 2017; with additional background work continuing as & when by email.	On application	On application	Ongoing	Non-specific No action other than the process of open declaration
		Indirect financial	I am due to deliver a series of 3 lectures (UK) on pain management in the elderly and frail. This will be paid by a pharma company, Flynn Pharma LTD. The lectures will cover self-management in the older patient, pharmacological strategies and practical considerations on managing pain for GPs. Honorarium will be donated to a charitable cause (Lancashire Care Foundation Trust's pain service volunteer group. CB has no jurisdiction over the finances of this group and is not part of any committee that would decide how to appropriate their funding).	06/02/2018	06/02/2018	Lectures ceased – company still processing charitable donation & expenses	Specific No action other than the process of open declaration

		Direct financial	Delivering a training session as part of the previously declared work with Connect Health. Topic was 'untangling chronic pain' covering assessing and examining pain, categorising mixed pain, understand nociception and sensitisation, understanding when and when not to recommend medication, working in a solution focused way.	01/05/2018	01/05/2018	17/05/2018	Non-specific No action other than the process of open declaration
		Direct non-financial	Speech at House of Commons on 23/07/2018 for launch of the RCP's CRPS guidelines	23/07/2018	24/07/2018	23/07/2018	Non-specific No action other than the process of open declaration
		Direct non-financial	Running workshop for CRPS UK at their conference. The session covered the updated CRPS UK guidelines and how the NHS pain service in the northwest manages CRPS in the long term. The workshop covered what good CRPS services might look like for the delegates in their locality. Expenses only covered; no honorarium received.	20/10/2018	15/10/2018	20/10/2018	Non-specific No action other than the process of open declaration
		Direct non-financial	Co-authored a paper on CRPS European standards: Goebel A, Barker C, Birklein F, Brunner F, Casale R, Eccleston C, Eisenberg E, McCabe CS, Moseley GL, Perez R, Perrot S, Terkelsen A, Thomassen I, Zyluk A, Wells C.
