

2024 surveillance of bladder cancer: diagnosis and management (NICE guideline NG2)

Surveillance report

Published: 12 July 2024

www.nice.org.uk

Prioritisation board agreed there is new evidence in this area which has the potential to impact on the existing recommendations.

Review decision: Prioritised

We have checked the evidence and plan to update recommendations on [treating non-muscle invasive bladder cancer](#), [treating muscle-invasive bladder cancer](#) and [managing locally advanced or metastatic muscle-invasive bladder cancer](#).
