Apologies:

Lucy Dwyer	Committee member
Mary McDonald	Committee member
Jim Khan	Committee member
Phil Reed	Committee member
Julian Spinks	Committee member
Steve Pilling	NGA Clinical Advisor

1. Welcome and objectives for the meeting

The chair welcomed the committee members and attendees to the 11th meeting on Pelvic floor dysfunction: prevention and non-surgical management.

The chair welcomed the new committee co-opted members and informed the committee of apologies that had been received and outlined the objectives of the meeting, which included reviewing evidence for a number of reviews and a health economics update.

2. Confirmation of matter under discussion, and declarations of interest

The Topic Advisor confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were pelvic floor dysfunction (behavioural approaches, pelvic floor muscle training and non-specialist assessment of symptoms).

She asked everyone to verbally declare any interests that have risen since the last meeting. The new interests were declared :

Name	Role with NICE	Type of interest	Description of interest	Relevant dates			Comments
				Interest arose	Interest declared	Interest ceased	

Karen Ward	Committee member	Direct non-financial professional and personal	Co-authored a Chapter for the Pelvic Floor society document on recovery of pelvic floor services after COVID – “How combining Pelvic Floor expertise can improve the patient experience”	August 2020	05 February 2020	Ongoing	Declare and participate

3. Minutes of last meeting

The chair Topic Advisor asked the committee if it wanted any changes made to the minutes of the last meeting. The committee agreed that the minutes were a true and accurate account of the meeting.

The chair confirmed that all matters arising had been completed or were in hand.

4. Morning presentations

Nathan Bromham, NGA Senior Systematic Reviewer, presented the evidence for review question 11.1 - What is the effectiveness of behavioural approaches (for example toilet training, seating, splinting) for improving symptoms of pelvic floor dysfunction? The chair and topic group lead Catherine Heffernan guided the committee into discussion of the evidence and drafted recommendations.

Paul Jacklin, NGA Senior Health Economist provided the committee with a health economic update on the prevention model. The committee had an opportunity to discuss this and ask questions.

5. Afternoon presentations

Nathan Bromham, NGA Senior Systematic Reviewer, presented the evidence for review question 6.1 What information is valued by women with symptoms associated with pelvic floor dysfunction and their partners or carers? The Chair guided the committee into discussion of the evidence and drafted recommendations.

Nathan Bromham, NGA Senior Systematic Reviewer, presented the evidence for review question 6.2 What information provision strategies are effective for women with symptoms associated with pelvic floor dysfunction? The Chair guided the committee into discussion of the evidence and drafted recommendations.

6. Any other business

Actions arising from the meeting were summarised and no other business was

raised.

Date of next meeting: 16th of March 2021

Location of next meeting: Via Zoom
