1. Welcome, objectives for the meeting

The Chair welcomed the Committee members and attendees to the third guideline committee meeting on Rehabilitation after Traumatic injury. The chair also welcomed the three new guideline committee members, as this was their first committee meeting. The Committee members and attendees introduced themselves.

The Chair reminded all present that the Committee is independent and advisory, that its decisions and recommendations to NICE do not represent final NICE guidance, and that they may be changed as a result of public consultation.

The Chair informed the Committee that apologies had been received from Steve Pilling, Clifford Middleton & George Peck.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was Rehabilitation after Traumatic injury. The Chair asked everyone to verbally declare any interests. The GC members emailed the project manager stating any new interests that need to be declared and added to the register.

3. Minutes of the last meeting

The Chair asked if the committee were happy to sign off the previous minutes for GC2, all agreed in attendance.

4. Presentations

The Chair introduced Anne-Louise Clayton NICE editor, who gave a presentation introducing Role of the NICE editor.

The Chair introduced Rachel Connolly Business Administrator, who discussed the Financial Year Deadlines.

The Chair introduced Mia Schmidt-Hansen Senior Systematic Reviewer, who

presented the Protocol 3.3a *For adults with complex rehabilitation needs after traumatic injury that involves spinal cord injury and requires admission to hospital, what specific rehabilitation programmes and packages are effective and acceptable?* An approach to developing this protocol further was discussed and agreed with the Committee.

Mia Schmidt-Hansen Senior Systematic Reviewer, who presented the Protocol 3.3b *For children with complex rehabilitation needs after traumatic injury that involves spinal cord injury and requires admission to hospital, what specific rehabilitation programmes and packages are effective and acceptable?* An approach to developing this protocol further was discussed and agreed with the Committee.

Mia Schmidt-Hansen Senior Systematic Reviewer, who presented the Protocol 3.4a *For adults with complex rehabilitation needs after traumatic injury that involves chest injury, what specific rehabilitation programmes and packages are effective and acceptable?* An approach to developing this protocol further was discussed and agreed with the Committee.

Mia Schmidt-Hansen Senior Systematic Reviewer, who presented the Protocol 3.4b *For children and young people with complex rehabilitation needs after traumatic injury that involves chest injury, what specific rehabilitation programmes and packages are effective and acceptable?* An approach to developing this protocol further was discussed and agreed with the Committee.

The Chair introduced May Oo Khin, NGA systematic reviewer, who gave a presentation on review question 3.1a *For adults with complex rehabilitation needs after traumatic injury that results in limb reconstruction, limb loss or amputation, what specific rehabilitation programmes and packages, including prosthetics, are effective and acceptable?* This was discussed and some draft recommendations were established and agreed with the Committee.

Mia Schmidt-Hansen Senior Systematic Reviewer, then presented the draft Protocols falling under section 2 *What rehabilitation programmes and packages are effective and acceptable for adults, children & young people with complex rehabilitation needs after traumatic injury?* An approach to developing these protocols further was discussed and agreed with the Committee.

5. Questions and discussion:

The Committee discussed each presentation in relation to this guideline and were given the opportunity to ask questions.

6. Any other business

Nothing was declared.
