Disabled children and young people with severe complex needs: the care and support you should expect

NICE has written advice about care and support for children and young people with severe complex needs.

We've produced an EasyRead version of our advice.

If you have severe complex needs you may want to look at this with support from a family member, friend or carer.

View the [EasyRead version](#).

Where can I find out more?

These people can give you more advice and support.

Their information is not written by NICE.

- [Carers Trust](#)
- [The Challenging Behaviour Foundation](#), 01634 838739
The Challenging Behaviour Foundation provides information and support to families and professionals supporting individuals with severe learning disabilities whose behaviour challenges.
