1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the twelfth meeting on Depression in adults: treatment and management. The Committee members and attendees introduced themselves.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: considering the inclusion criteria, connectivity and included and excluded studies list, and the economic model for the NMA; and reviewing editorial changes to recommendations and sections of the guideline linking the evidence to recommendations.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was depression in adults: treatment and management.

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting.
