**6<sup>th</sup> September 2022**

**1. Welcome and objectives for the meeting**

The Chair welcomed the committee members and attendees to the 31<sup>st</sup> meeting of the multiple obstetric guidelines update (part a). The Chair gave a health and safety briefing for those members attending in person and explained how the microphones in the room worked.

The Chair informed the committee that apologies had been received as noted above.

The Chair outlined the objectives of the meeting, which included reviewing a protocol and discussing consultation comments.

**2. Confirmation of matter under discussion, and declarations of interest**

The Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were multiple obstetric topics including Intrapartum care (IPC) and Fetal monitoring

The Chair asked everyone to verbally declare any interests that have risen since the last meeting. New interests were declared and noted below.

Name	Role	Type of interest	Description of interest	Relevant dates			Comments
				Interest arose	Interest declared	Interest ceased	
Samantha Russell	Lay Member	Direct, financial	Co-author on: A workshop to co-design messages that may increase uptake of vaccines: A case study  Published in: Vaccine, August 2022  <a href="https://www.sciencedirect.com/science/article/pii/S0264410X22009513">https://www.sciencedirect.com/science/article/pii/S0264410X22009513</a>	August 2022	23.08.2022	August 2022	Declare and participate  Agreed by: GL August 2022  Rationale: Not specific to guideline.
Alena	GC	Non-	GP Trainer	03.08.20	05.09.2022	Ongoing	Declare and

Chong	member - GP	financial professional and personal interests		22			participate Agreed by: GL Sept 2022 Rationale: Not specific to guideline
Frances Rivers	GC member – Community midwife	Financial interest	Forthcoming publication of article in The Practising Midwife. Working title: “Implementation of a homebirth network to facilitate choice about place of birth”	Expected publication October 2022	05.09.2022		Declare and participate Agreed by: GL September 2022 Rationale: Expresses the view that women should have the option of a homebirth which is line with the current recommendations in the guideline
Philip Barclay	GC member – Obstetric anaesthetist	Non-financial professional and personal interests	Review article published about carbetocin in Drugs and Therapeutics Bulletin  Day A, Barclay P, Page L Is there a role for carbetocin in the prophylaxis of postpartum obstetric haemorrhage? Drug and Therapeutics Bulletin 2022;60:136-140.	24.09.2022	05.09.2022		Declare and participate Agreed by: GL September 2022 Rationale: Analyses evidence relating to carbetocin so will need to ensure committee discussions are based on evidence presented to the committee and not on conclusions of this article.
Chimwewe Kalumbi	Committee Member	Direct, non-financial personal and professional	Adam Global - Namibia Health Initiative	30/08/2022	21/09/2022	Ongoing	Declare and participate
Chimwewe Kalumbi	Committee Member	Direct, non-financial personal and professional	Founder Every Mother and Child Matters Foundation Trust	22/08/2022	21/09/2022	Ongoing	Declare and participate Agreed by: GL September 2022 Rationale: Not specific to guideline.
Maggie Blott	Topic Advisor	Direct, personal and professional	One of the authors on a paper on ways to improve fetal	27/09/2022	22/09/2022	27/09/2022	Declare and participate Agreed by: GL

		nal	<p>surveillance in labour which has now been accepted for publication in BJOG</p> <p>Re: BJOG: An International Journal of Obstetrics &amp; Gynaecology - Decision on Manuscript ID BJOG-22-0174.R1</p> <p>"A case control study of the interaction of fetal heart rate abnormalities, fetal growth restriction, meconium in the amniotic fluid, and tachysystole, in relation to the outcome of labour" for publication in BJOG: An International Journal of Obstetrics and Gynaecology.</p>				<p>September 2022</p> <p>Rationale: Specific to guideline but member appointed due to expertise in CTG so benefits of expert knowledge outweigh risks</p>
--	--	-----	---	--	--	--	---

**3. Minutes of last meeting**

The Chair asked the committee to confirm the minutes of the last meeting, and the committee confirmed that no changes were required.

**4. Morning presentations**

The Chair introduced Eva Gonzalez-Viana, Senior Systematic Reviewer, who presented the evidence for the revised protocol for IPC8.3: ‘What is the effectiveness of uterotonics for the prevention of postpartum haemorrhage?’

Hilary Eadon, Guideline Lead, presented an overview of comments from the fetal monitoring consultation.

**5. Afternoon presentations**

Hilary Eadon, Guideline Lead, presented the prioritised comments from the fetal monitoring consultation.

**6. Questions and discussions**

The committee discussed the evidence on ‘What is the effectiveness of uterotonics for the prevention of postpartum haemorrhage?’. They discussed the updated plans for the review and agreed outcomes to be included.

The committee reviewed the comments from the fetal monitoring consultation and agreed changes to be made to recommendations in the guideline.

**7. Any other business**

The meeting was closed at 17:00

**Date of next meeting:** 20<sup>th</sup> September 2022

**Location of next meeting:** Virtually via Microsoft Teams
