1. Welcome, introductions and objectives for the meeting

The Chair welcomed the Committee members and attendees to the third meeting of the Stroke rehabilitation (update) committee.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: review evidence and draft recommendations for oral hygiene interventions, discussion of draft protocols.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were: oral hygiene interventions, early supported discharge, spasticity and intensity of speech and language therapy.

Elizabeth Taylor declared involvement in a research project about online music therapy. The Chair and Guideline Lead noted that the interests declared did not prevent the attendees from fully participating in the meeting.

3. Prioritising topics for modelling

KL gave a presentation on selection of priority topics for original cost effectiveness modelling. The committee gave feedback on the proposed prioritisation of topics.

4. Evidence review: interventions for oral hygiene

George Wood and Claire Sloan presented clinical and cost effectiveness evidence for interventions for oral hygiene. The committee discussed draft recommendations.

5. Draft protocols
George Wood and Madelaine Zucker led a discussion on draft review protocols for early supported discharge and spasticity
6. AOB
Volunteers for the health economics subgroup were confirmed.

Date of next meeting: 8 June 2021, 1000-1600

Location of next meeting: Remote meeting
