

Diabetic Retinopathy Advisory Committee Interests Register

Register last updated: 20/10/2023

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Mike Burdon	Chair	Direct non-financial professional and personal interest	Chair of national ophthalmology database steering group for Royal College of Ophthalmologists		September 2021	Ongoing	Non- specific No action needed other than process of open declaration
Mike Burdon	Chair	Direct financial interest	Consultant Ophthalmologist,		May 2023	Ongoing	Declare and participate. Rationale: Salaried employment in the NHS
John Anderson	Committee member Adult diabetes consultant (co-opted member)	Direct financial interest	Consultant Physician in Diabetes, Endocrinology & General (Internal) Medicine, Homerton University Hospital and Barts and the London Medical School	Interest arose more than 12 months before appointment	September 2022	Ongoing	Declare and participate: Rationale: Salaried employment in the NHS No action needed other than process of open declaration.
Philip Burgess	Committee member Ophthalmologist	Direct non-financial professional and personal interest	Participation in workshop focussing on care delivery in diabetic retinopathy. Workshop is funded by Bayer and delivered by an independent agency. Aim of the workshop is to share best practise and plan ways of	July 2022	September 2022	July 2022	Specific Declare and participate no honorarium received

			delivering more effective and efficient care. Attendance and participation only not to speak on behalf of any organisation. Honorarium declined.				
Philip Burgess	Committee member Ophthalmologist	Direct financial interest	Senior Lecturer in Eye and Vision Science & Honorary Consultant Ophthalmologist Acting Clinical Lead for Diabetic Retinopathy University of Liverpool, Royal Liverpool University Hospital	2021	May 2023	Ongoing	Declare and participate. Rationale: Salaried employment in the NHS
Philip Burgess	Committee member Ophthalmologist	Direct non-financial professional and personal interest	Unpaid presentation of local audit/real world data for DMO and AMD as a local Roche meeting.	September 2023	July 2023	September 2023	Declare and participate. Rationale: Only a presentation of data to Roche at a private meeting and the appearance is unpaid.
Philip Burgess	Committee member Ophthalmologist	Direct financial interest	Speaker at a King's Fund event sponsored by Roche. Presentation was on collecting data from people with diabetes and diabetic retinopathy but not condition management. Travel and accommodation covered.	October 2023	October 2023	October 2023	Declare and participate. Rationale: Since the focus was on data collection and not treatment/management, this interest is not in scope.
Julie Davey	Committee member Lay member	Direct financial interest	Occupational Therapist training staff working in the homelessness sector (non-patient facing), Greater	Interest arose more than 12 months	March 2023	Ongoing	Non-specific Declare and participate. Rationale: Salaried employment in the NHS

			Manchester Mental Health NHS Foundation Trust.	before appointm ent			.
Julie Davey	Committee member Lay member	Direct non- financial professional and personal interest	Took part in a RECO study which looks at the provision of dual diagnosis service (Mental health and substance use) 1 focus group as part of NHS role. No Payment	2022	March 2023	2022	Non-specific Declare and participate Out of scope for this guideline and connected to member's professional role.
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Consultant Ophthalmologist with medical retina expertise working at London Northwest University Healthcare NHS Trust	Jun 2016	Oct 2021	Ongoing	Declare and participate. Rationale: Salaried employment in the NHS
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Patient and Public Involvement Lead, NIHR National Specialty Group	Apr 2019	Oct 2021	Ongoing	Declare and participate. Rationale: Salaried employment in the NHS
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Ophthalmology Lead, NIHR Clinical Research Network	Oct 2018	Oct 2021	Ongoing	Declare and participate. Rationale: Salaried employment in the NHS
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Director, Research and Development, London Northwest University Healthcare NHS Trust	Aug 2021	Oct 2021	Ongoing	Declare and participate. Rationale: Salaried employment in the NHS
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Expert Panel for EURETINA conference – panel organized and paid by Roche. General panel not specific to diabetic	Aug 2021	Oct 2021	Oct 2021	Non-specific Declare and participate

			retinopathy or diabetic macular oedema.				(non-promotional one-off event)
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Speaker at Visualise meeting organized and paid by Novartis	Sept 2021	Oct 2021	Oct 2021	Specific Declare and participate (non-promotional one-off event)
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Consultancy discussing use of smartphone applications in diabetic macular oedema clinics – organized and paid by Roche	Aug 2021	Oct 2021	Aug 2021	Non-specific Declare and participate (non-promotional one-off event)
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial professional and personal interest and indirect financial interest	Attendance at EasDec meeting sponsored by Alimera Sciences	October 2021	April 2022	October 2021	Specific Declare and participate (travel and expenses for attendance only)
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Apellis advisory board on interventions for Geographic atrophy. Not related to diabetic eye disease	May 2022	April 2022	May 2022	Non-specific No action needed other than process of open declaration (non-promotional one-off event). No ongoing relationship with the sponsoring manufacturer.
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Roche advisory board on surgical devices for wet age-related macular degeneration. Not related to diabetic eye disease	April 2022	April 2022	April 2022	Non-specific No action needed other than process of open declaration (non-promotional one-off event). No ongoing

							relationship with the sponsoring manufacturer.
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	OraNet advisory board for patient and public participation in clinical trials. Not related to diabetic eye disease	April 2022	April 2022	April 2022	Non-specific No action needed other than process of open declaration (non-promotional one-off event). No ongoing relationship with the sponsoring manufacturer.
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	AbbVie advisory board on management of wet-age related macular degeneration. Not related to diabetic eye disease	May 2022	April 2022	May 2022	Non-specific No action needed other than process of open declaration (non-promotional one-off event). No ongoing relationship with the sponsoring manufacturer.
Christiana Dinah	Committee member Ophthalmologist	Direct non- financial professional and personal interest and indirect financial interest	Principal Investigator for the KESTREL phase 3 trial – sponsored by Novartis	Apr 2021	Oct 2021	Aug 2021	Non-specific No action needed other than process of open declaration
Christiana Dinah	Committee member Ophthalmologist	Direct non- financial professional and personal interest	Published a research article to Eye Journal on the appropriateness of 400 micron threshold for initiating anti-VEGF treatment for diabetic maculopathy – under consideration	Oct 2021	Oct 2021	Ongoing	Specific. Article not eligible for inclusion in evidence review (survey of current practice) Declare and participate.

			Dinah C, Myers S, Pushpoth S, Degli-Esposti S. Revisiting NICE guidelines for initiation of intravitreal anti-VEGF therapy for centre-involving diabetic macular oedema: a survey of current interpretation in the United Kingdom. Eye (Lond). 2022 Sep;36(9):1832-1834.				
Christiana Dinah	Committee member Ophthalmologist	Direct non- financial professional and personal interest	<p>Published on treatment of diabetic maculopathy with intravitreal aflibercept and factors influencing response to treatment.</p> <p>Sim SY, Ghulakhszian A, Minocha A, Ramcharan D, Nokhostin S, Cheong-Leen R, George S, Posner E, Dinah C. Factors Influencing Response to Aflibercept in Diabetic Macular Oedema Patients in a Diverse North West London Population: A Real-World Study. Clin Ophthalmol. 2021 May 20;15:2089-2097. Doi: 10.2147/OPTH.S314614. PMID: 34045845; PMCID: PMC8144175.</p> <p>Dinah C, Ghulakhszian A, Sim SY, Minocha A, Nokhostin S, Posner E, Cheong-Lee R, George S.</p>	Feb 2021	Oct 2021	ongoing	<p>Specific</p> <p>At each meeting the chair will review this interest to determine whether there are any potential conflicts of interest relating to this specific area and consider the actions needed.</p>

			Aflibercept for treatment-naïve diabetic macula oedema in a multi-ethnic population: Real-world outcomes from North West London. PloS One. 2021 Feb 11;16(2):e0246626. Doi: 10.1371/journal.pone.0246626. Erratum in: PloS One. 2021 Sep 16;16(9):e0257707. PMID: 33571295; PMCID: PMC7877641.				
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial professional and personal interest	Contributed to an article on impact of deferral of Aflibercept on outcomes in diabetic maculopathy – Accepted in Ophthalmology and therapy journal. Article is Deferring anti-VEGF treatment for DMO: The impact of COVID-19 lockdown in multi-ethnic North West London.	Oct 2021	Oct 2021	Ongoing	Non-specific Declare and participate
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial professional and personal interest and indirect financial interest	Principal Investigator for the KALAHARI study sponsored by Oxurion (A Phase 2, Randomised, Multicentre Study to Assess the Dose Level of Multiple THR-149 Injections and to Evaluate the Efficacy and Safety of THR-149 Versus Aflibercept for the Treatment of Diabetic	November 2021	April 2022	Ongoing	Specific At each meeting the chair will review this interest to determine whether there are any potential conflicts of interest relating to this specific area and consider the actions needed.

			Macular Oedema (DME)) for diabetic macular oedema				
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial professional and personal interest and indirect financial interest	Research grant funding from Apellis for Geographic Atrophy. Not related to diabetic eye disease	March 2022	April 2022	Ongoing	Non-specific No action needed other than process of open declaration
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial professional and personal interest	Presenter at Royal College Congress: KESTREL (Beovu for DMO) 52 week results on behalf of Novartis	May 2022	April 2022	Scheduled to end May 2022	Non-specific No action needed other than process of open declaration
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial professional and personal interest	Principal Investigator for COMINO and BALATON: Faricimab for retinal vein occlusion. Sponsored by Roche. Not related to diabetic eye disease	August 2021	April 2022	Ongoing	Non-specific No action needed other than process of open declaration
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial professional and personal interest	Delivered lecture and debate for the role of inflammation in retinal vein occlusion. EURETINA. Lecture organized by Abbvie. No honorarium received.	September 2022	October 2022	September 2022	Specific No action needed other than process of open declaration (non-promotional one-off event). No ongoing relationship with the sponsoring manufacturer.
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial	Delivered lecture titled unmet needs in wet AMD. When imaging clinches the	November 2022	November 2022	November 2022	Non-specific No action needed other than process of open declaration

		professional and personal interest	diagnosis - wet AMD and rare retinal diseases (paraneoplastic retinal disease and chronic serous chorioretinopathy). Organised by Roche. Not related to diabetes or diabetic eye disease				Rationale: Not specific to the scope of the guideline
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Expert contributor to the MOSAIC Geographic Atrophy Burden of illness project. Sponsored by Modus Outcomes	February 2023	March 2023	Ongoing	Declare and participate. Rationale: Not specific to the scope of the guideline. Looks at age-related macular degeneration and not related to diabetes or diabetic eye disease
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial professional and personal interest	UK Chief Investigator – Retinal Vein Occlusion study sponsored by Medsoft and Roche. No payment received.	May 2023	May 2023	Ongoing	Partial exclusion Rationale: Roche manufacture Faricimab, in scope for macular oedema and possibly in scope for retinal occlusion, so will withdraw from discussions on recommendations in connected subject areas.
Christiana Dinah	Committee member Ophthalmologist	Direct non-financial professional and personal interest	ARVO Conference lecture on inclusive research in ophthalmology.	April 2023	May 2023	April 2023	Declare and participate. Rationale: Not specific to the scope of the guideline.

Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Roche Products Limited – Speaker on diversity in clinical trials. Interviewed patient from ethnic minority background as part of a community engagement day sponsored by the company	Septemb er 2023	October 2023	Septemb er 2023	Declare and participate. Rationale: Not specific to the scope of the guideline.
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Johnson and Johnson Limited – Consultant advisor for geographic atrophy program	October 2023	October 2023	October 2023	Declare and participate. Rationale: Not specific to the scope of the guideline. There is no current treatment for GA in the UK.
Christiana Dinah	Committee member Ophthalmologist	Direct financial interest	Boehringer Ingelheim - Consultant advisor for geographic atrophy clinical trials and women in retina program	October 2023	October 2023	October 2023	Declare and participate. Rationale: Not specific to the scope of the guideline. There is no current treatment for GA in the UK.
Noemi Lois	Committee member Ophthalmologist	Direct financial interest	Professor of Ophthalmology at Wellcome-Wolfson Institute for Experimental Medicine, Queen's University, Belfast – Paid for by Queen's University Belfast	February 2023	February 2023	Ongoing	Declare and participate– Rationale: Salaried employment in the NHS.
Noemi Lois	Committee member Ophthalmologist	Direct non- financial professional and personal interest	Corresponding author of the prognostic factors for the development and progression of proliferative diabetic retinopathy in people with diabetic retinopathy Cochrane review	July 2022	July 2022	Ongoing	Specific Declare and participate Rationale: The Cochrane review is included in evidence review, but risk of involvement being interpreted as

							prejudicial to the objective interpretation of the evidence is considered low and is outweighed by having access to committee member expertise for decision making.
Noemi Lois	Committee member Ophthalmologist	Direct non-financial professional and personal interest	Co-author for the fenofibrate for diabetic retinopathy Cochrane review	July 2022	July 2022	Ongoing	Specific Declare and participate Rationale: The Cochrane review is included in evidence review, but risk of involvement being interpreted as prejudicial to the objective interpretation of the evidence is considered low and is outweighed by having access to committee member expertise for decision making.
Noemi Lois	Committee member Ophthalmologist	Direct non-financial professional and personal interest	CI for the EMERALD diagnostic accuracy study evaluating models of care including cost-effectiveness analysis. EMERALD is publicly funded (NIHR).	2014	January 2023	April 2023	Specific Partial exclusion. Rationale: The study will be included in evidence reviews, the member will withdraw when recommendations drawn from this review are being discussed..

Noemi Lois	Committee member Ophthalmologist	Direct non- financial professional and personal interest	CI for NIHR-HTA funded UK multicentric DIAMONDS, RCT on laser (standard laser versus subthreshold micropulse laser). DIAMONDS is publicly funded (NIHR).	2014	January 2023	January 2023	Declare and participate Rationale: Whilst specific to the scope of the guideline, the member was allowed to participate as this was one of numerous papers included in the DMO treatments review. The DIAMONDS study only considers a small section of the question as it compares different types of laser, but doesn't cover the rest of the question (i.e. anti-VEGFs vs laser vs steroids vs combination treatments).
Amandeep Bedi	Committee member Specialist ophthalmology nurse	Direct financial interest	Advanced Nurse Practitioner, Wolverhampton Eye Infirmary.	February 2016	May 2023	Ongoing	Declare and participate. Rationale: Salaried employment in the NHS.
Yvonne Coalbran	Committee member Lay member	Direct financial interest	Works for Diabetes UK as an Improving Care Manager for the North West Region.	2015	February 2022	Ongoing	Declare and participate. Rationale: Salaried employment in a not-for-profit providing NHS services.
Rosalind Creer	Committee member Optometrist	Direct financial interest	Lead Optometrist, Manchester Royal Eye Hospital	2021	February 2022	Ongoing	Declare and Participate Rationale: Salaried employment in the NHS.
Rosalind Creer	Committee member Optometrist	Direct financial interest	Talk about vision assessment given at 2023 Ophthalmology Masterclass Meeting Series	June 2023	May 2023	June 2023	Declare and Participate

			for Ophthalmic Nurse and Healthcare Professionals – Sponsored by Bayer. Expenses covered.				Rationale: Not specific to the scope of the guideline. The talk is about vision assessment and part of a group of talks about intravitreal treatment.
Louis Savage	Committee member General Practitioner	Direct financial interest	GP in Gloucester A&E Frailty Team	2018	February 2022	Ongoing	Declare and participate. Rationale: Salaried employment in the NHS.
Louis Savage	Committee member General Practitioner	Direct financial interest	Sessional locum GP	2018	February 2022	Ongoing	Declare and participate. Rationale: Salaried employment in the NHS.
Louis Savage	Committee member General Practitioner	Indirect non-financial professional and personal interest	Standing Member, NICE Quality Standards Advisory Committee	March 2023	October 2023	Ongoing	Declare and participate. Rationale: Work on NICE quality standards presents no conflict with NICE clinical guidelines.
Diva Shah	Committee member Eye Clinical Liaison Officer	Direct financial interest	Accessibility Assistant for the Royal National Institute of Blind People at Western Eye Hospital, London	August 2017	February 2022	May 2021	Declare and participate. Rationale: Salaried employment in a not-for-profit providing health research and patient support.
Diva Shah	Committee member Eye Clinical Liaison Officer	Direct financial interest	Brain Tumour Research Activist, Brain Tumour Research, Milton Keynes	May 2018	February 2022	Ongoing	Declare and participate. Rationale: Salaried employment in a not-for-profit providing health research.
Diva Shah	Committee member	Direct financial interest	Eye Clinic Liaison Officer for the Royal National Institute of	May 2021	February 2022	Ongoing	Declare and participate. Rationale: Salaried employment in a not-for-profit

	Eye Clinical Liaison Officer		Blind People at Western Eye Hospital, London				providing health research and patient support.
