Apologies: None

1. Welcome and objectives for the meeting

The Co-Chair welcomed the Committee members and attendees to the fifth Asthma guideline committee meeting.

The Co-Chair informed the Committee that no apologies had been received.

The Co-Chair outlined the objectives of the meeting, which included: drug classes for initial management and smart inhalers.

2. Confirmation of matter under discussion, and declarations of interest

The Co-Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were drug classes for initial management and smart inhalers.

The Co-Chair asked everyone to verbally declare any interests that have arisen since the last meeting. There were no new declarations of interest.

3. Evidence reviews

TS and AMa presented the following evidence reviews to the committee:

- 3.1 Drug classes for initial management
- 4.1 Smart inhalers

The committee discussed the evidence presented and made draft recommendations.

4. HE Model

AMa gave a presentation on the HE Model prioritisation. The committee discussed and agreed on the prioritisation.

Any other business

None.
