1. Welcome and objectives for the meeting

The Co-Chair welcomed the Committee members and attendees to the eighth Asthma guideline committee meeting.

The Co-Chair informed the Committee that apologies had been received, these are noted above.

The Co-Chair outlined the objectives of the meeting, which included: Skin prick tests in children, FeNO and diagnostic test accuracy of IgE in children.

2. Confirmation of matter under discussion, and declarations of interest

The Co-Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were Skin prick tests in children, FeNO and diagnostic test accuracy of IgE in children.

The Co-Chair asked everyone to verbally declare any interests that have arisen since the last meeting.

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Lynn Eisey	Lead Respiratory Pharmacist, Manchester University NHS Foundation Trust	Funding to attend BTS winter meeting from Sanofi, conference attendance,	Financial	No action taken

		travel and accommodation		
		Non promotional presentations on adherence and OCS stewardship at education event run by Sanofi, no payment received for this talk.	Non-financial	No action taken
The Co-Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from fully participating in the meeting.				
3. Evidence reviews				
MV and AMa presented the following evidence reviews to the committee:				
<ul style="list-style-type: none"> • 1.4 Skin prick test in children • 1.5 Diagnostic test accuracy of IgE in children • 1.6 FeNO diagnosis 				
The committee discussed the evidence presented and made draft recommendations.				
4. Any other business				
None.				

Date of next meeting: 06/12/2022

Location of next meeting: Virtual meeting
