I will receive an honorarium of £250, Locum Costs of £280 and travel costs.	22.01.2019	12.02.2019	15.05.2019	Declare and participate. Rationale: Interest is no longer current.
Dr Ian Bernstein	Chair	Direct – financial interests	I have accepted invitations to lecture at Ealing and Central Middlesex GP Vocational Training Schemes on 14 June 2018 and 28 June 2018 on topics including the NICE LBP Guideline. The slides have been approved by NICE. There was no remuneration.	16.03.2018	12.02.2019	28.06.2018	Declare and participate. Rationale: Interest is no longer current.
Dr Ian Bernstein	Chair	Direct – financial interests	I was appointed to Central London Community	01.05.2020	30.08.2021	10.07.2022	Declare and participate.

			Healthcare NHS Trust as Director of Medical Education, Caldicott Guardian and Deputy Responsible Officer from 01 May 2020. I work 2 days per week. I am retiring from the Trust on 10 Jul 2022 and continuing in my other roles unchanged.				Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – financial interests	Appointed chair NICE Head Injury Guideline committee. NICE reimbursement of travel costs, locum costs and nominal remuneration as per NICE reimbursement policy.	07.01.2020	14.01.2021	Ongoing	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – financial interests	Appointed as a clinical commissioning advisor to an NHS England steering group on workforce development for MSk conditions, within the Long Term Conditions Directorate. This work is unpaid although locum costs may be reimbursed.	21.11.2014	12.02.2019	30.09.2022	Declare and participate. Rationale: Not specific to the guideline and interest is no longer current.

Dr Ian Bernstein	Chair	Direct – financial interests	Appointed as the clinical lead to the NW London STP Musculoskeletal Transformation Programme. This work is already remunerated as part of my NHS Ealing CCG commissioning role.	01.10.2016	12.02.2019	30.04.2020	Declare and participate. Rationale: Interest is no longer current.
Dr Ian Bernstein	Chair	Direct – financial interests	Appointed to the NICE Technology Appraisal Committee as a clinical advisory member, with effect from February 2016, His practice will receive locum reimbursements, and he will receive travel and subsistence allowance in accordance with the NICE published policy.	01.02.2016	12.02.2019	01.02.2018	Declare and participate. Rationale: Interest is no longer current.
Dr Ian Bernstein	Chair	Direct – financial interests	Appointed to the NICE Chronic Pain Guideline Committee. His practice will receive locum reimbursements, and he will receive travel and subsistence allowance in accordance with the NICE published policy.	16.09.2017	12.02.2019	07.04.2021	Declare and participate. Rationale: Interest is no longer current.

Dr Ian Bernstein	Chair	Direct – financial interests	Appointed chair NICE Head Injury Guideline committee. NICE reimbursement of travel costs, locum costs and nominal remuneration as per NICE reimbursement policy.	07.01.2020	14.01.2021	Ongoing	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – financial interests	Presented a workshop on managing chronic musculoskeletal pain at 'MSK Conference 2023', run by CloserStill Media at NEC Birmingham 22-23 Nov 2023. Admission ticket, travel and overnight accommodation funded by the conference organisers. No speaker fee or honorarium received. https://www.therapyexpo.co.uk/msk-conference .	26.07.2023	26.07.2023	23.11.2023	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – financial interests	Self-employed locum GP (NHS) in NW London.	20.09.2023	20.09.2023	Ongoing	Declare and participate. Rationale: Not specific to guideline. Members paid employment

Dr Ian Bernstein	Chair	Direct – financial interests	Appointed as a standing member of the NICE Technology Appraisal Committee. NICE will pay reasonable expenses, including rail fares and hotel costs when necessary, in line with NICE's 'Non-staff reimbursement policy', to attend committee meetings and other associated meetings.	07.11.2023	06.11.2023	Ongoing	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Co-presented a webinar for ARMA and NHS England on the development and implementation of a musculoskeletal JSNA chapter on 6th April 2018. There was no remuneration.	16.03.2018	12.02.2019	06.04.2018	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Recorded a webinar for playback at a Public Health conference on 20 June 2018, run by Public Health England and Arthritis Research UK. The topic is 'Implementing the Ealing JSNA Focus on Musculoskeletal Health'. The content of the JSNA is	08.06.2018	12.02.2019	20.06.2018	Declare and participate. Rationale: Not specific to the guideline.

			not discussed. There was no remuneration.				
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Accepted a request from the BMJ to act as a reviewer for manuscript entitled "Guideline care for low back pain: can we deliver?" I have discussed my contribution with the NICE chronic pain guideline chair (I am a member of this committee) and the NICE Centre for Guidelines.	18.09.2018	12.02.2019	22.09.2018	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Co-author of a commissioned editorial accepted for publication in the British Journal of General Practice: NG 193-Reasons to be cheerful. Reflections on the NICE Guideline for chronic pain. NICE have approved the submission to the journal.	10.08.2021	10.08.2021	10.08.2021	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Lead author of a peer-reviewed learning resource on e-Learning for Health: Long COVID and Post-COVID-19 Syndrome. This session provides an introduction to	10.08.2021	10.08.2021	10.11.2022	Declare and participate. Rationale: Not specific to the guideline.

			long COVID, looking at its definition, common symptoms, investigations as well as the impact it has on adults and children. The session is aimed at all clinical staff.				
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Reviewer for an article “Multi-Center Study Evaluating Factors Associated with Treatment Outcome for Low Back Pain Injections” submitted for publication in BMJ Medicine. Reviewers’ comments and accreditation are published alongside the article.	30.08.2021	30.08.2021	30.08.2021	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Co-presented a webinar “Managing Low Back Pain and Sciatica”, based on NICE NG59 to the Primary Care Rheumatology & Musculoskeletal Medicine (PCRMM) Society. The core slides have previously been approved by NICE as I was a committee member. I have not claimed any expenses or honoraria.	31.05.2022	10.06.2022	31.05.2022	Declare and participate. Rationale: Not specific to the guideline.

Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Chaired a Connect Health Change Series webinar: “Community MSK – how to alleviate elective care pressures”. No funding received. There was no discussion about topics or conditions covered by the Rehabilitation for Chronic Neurological Disorders guideline. https://www.connecthealth.co.uk/blog/community-msk-q-a-summary/ .	08.02.2023	23.02.2023	08.02.2023	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Peer reviewed an article for Br J Gen Practice Open “Explaining a diagnosis of fibromyalgia in Primary Care”. An acknowledgement from the journal about completing the peer review was published on Web of Science.	08.04.2023	10.05.2023	08.04.2023	Declare and participate. Rationale: Not specific to the guideline.
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Co-author of Rajesh S, Wonderling D, Bernstein I, Balson C, Lecky F; Guideline Committee. Head injury: assessment and early management-summary of updated NICE guidance. BMJ. 2023 May	30.05.2023	31.05.2023	30.05.2023	Declare and participate. Rationale: Not specific to the guideline.

			30;381:p1130. doi: 10.1136/bmj.p1130. PMID: 37253484.				
Dr Ian Bernstein	Chair	Direct – non- financial professional and personal interests	Attended a one day sandpit event on 'MSK for the Workplace' organized by Orthopaedic Research UK to support the government's consultation on the Spring budget proposals for support for return to work for people with musculoskeletal disorders, and the government's consultation on the major conditions strategy (which includes musculoskeletal disorders). I presented data publicly available from the Labour Force Survey, the Annual Population Survey and Sickness Absence Data in relation to musculoskeletal disorders. I did not discuss employment, participation or vocational rehabilitation from the perspective of chronic neurological disorders or give any opinion on the configuration of services.	12.09.2023	13.09.2023	12.09.2023	Declare and participate. Rationale: Not specific to the guideline.

			The sandpit event was a closed event and the discussions remain confidential to the group.				
Dr Ian Bernstein	Chair	Direct Financial	Clinical Advisor to NW London ICB on a voluntary (unpaid) basis under an honorary contract. There is no overlap with topics in scope of the Rehabilitation for Chronic Neurological Disorders guideline. As of July 2025 has now applied to receive honorarium payments for interim Chair cover	20.09.2023	20.09.2023	Ongoing	Declare and participate. Rationale: Not specific to the guideline. Updated July 2025
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	Volunteering as a medic with Raleigh International from January to April 2025 in Costa Rica. Raleigh International is a trading name of Rayleigh Expedition Ltd. I will be supporting Raleigh's purpose to "provide the platforms and opportunities for young people to establish themselves and become global citizens, inspired to take an active role in their community and work with	19.01.2025	05.05.2024	23.04.2025	Declare and participate. Rationale: Not specific to the guideline.

			<p>others to make our planet more equal, fair, and sustainable.”</p> <p>Raleigh International are providing my accommodation and food. The work is not paid.</p>				
Dr Ian Bernstein	Chair	Direct – non-financial professional and personal interests	<p>Peer-reviewed an article submitted to the British Journal of General Practice: “Effectiveness of Routine Measurement of Health-Related Quality of Life in Improving the Patient-reported Outcomes in Patients with Chronic Knee and Back Problems – A Randomised Controlled Trial”. The article is about chronic musculoskeletal back and knee pain. If the article is published, my review may appear on BJGP Open.</p>	01.05.2024	05.05.2024	01.05.2024	<p>Declare and participate.</p> <p>Rationale: Not specific to the guideline.</p>
Dr Ian Bernstein	Chair	Direct – financial interests	<p>Appointed as chair of the NICE Blood Transfusion Guideline. Will receive chair’s honorarium and travel expenses as per the NICE non-staff reimbursement policy.</p>	30.04.2025	22.05.2025	Ongoing	<p>Declare and participate.</p> <p>Rationale: Not specific to the guideline.</p>

Dr Parashar Ramanuj	Topic Advisor	Direct – financial interests	Appointed as a Consultant Psychiatrist at the Royal National Orthopaedic Hospital.	01.08.2016	03.11.2021	Ongoing	<p>Declare and participate.</p> <p>Rationale: This salaried employment would not affect the committee member's ability to objectively consider the evidence under review. There would not be any financial gain associated with committee membership or the outcome of recommendations.</p> <p>Members paid employment</p>
Dr Parashar Ramanuj	Topic Advisor	Direct – financial interests	Director of Limited Company: PPR Healthcare through which I provide medicolegal expertise, including on cases involving spinal cord injury.	05.04.2017	20.12.2021	Ongoing	<p>Declare and participate.</p> <p>Rationale: May be specific to the guideline but benefit of expertise likely to outweigh risks. The guideline is unlikely to cover specific recommendations concerning medicolegal expertise. Little possibility for financial gain to the member and thus this private practice was not considered to pose a conflict of interest.</p>

							Members paid employment
Dr Parashar Ramanuj	Topic Advisor	Direct – non-financial professional and personal interests	Executive Committee Member of the Faculty of Liaison Psychiatry, Royal College of Psychiatrists.	01.07.2020	20.12.2021	20.06.2024	Declare and participate. Rationale: May be specific to the guideline in some areas but benefit of expertise likely to outweigh risks.
Dr Parashar Ramanuj	Topic Advisor	Direct – non-financial professional and personal interests	Co-opted into the Neuropsychiatry Faculty at the Royal College of Psychiatrists.	15.07.2023	18.07.2023	Ongoing	Declare and participate. Rationale: May be specific to the guideline in some areas but benefit of expertise likely to outweigh risks.
Dr Parashar Ramanuj	Topic Advisor	Direct – non-financial professional and personal interests	Irwin Mitchell Annual Spinal Cord Injury Conference. Gave a talk on psychological adjustment after spinal cord injury	October 2024	29.10.2024	October 2024	Declare and participate. Rationale: May be specific to the guideline in some areas but benefit of expertise likely to outweigh risks. Additionally this was an unpaid private educational event.
Dr Parashar Ramanuj	Topic Advisor	Direct – non-financial professional and personal interests	I gave a talk to the Multidisciplinary Association of Spinal Cord Injury Professionals (MASCIP) on the 'Risks	17.11.2023	11.12.2023	17.11.2023	Declare and participate. Rationale: May be specific to the guideline in some areas but benefit of

			and Unintended Consequences of Screening People with Spinal Cord Injury for Mental Health Conditions'				expertise likely to outweigh risks.
Dr Emer McGilloway	Topic Advisor	Direct – financial interests	Consultant in Rehabilitation Medicine King's College Hospital NHS Trust working 4 days per week.	August 2015	01.11.2022	Ongoing	<p>Declare and participate.</p> <p>Rationale: This salaried employment would not affect the committee member's ability to objectively consider the evidence under review. There would not be any financial gain associated with committee membership or the outcome of recommendations.</p> <p>Members paid employment</p>
Dr Emer McGilloway	Topic Advisor	Direct – financial interests	Consultant in Rehabilitation Medicine Cleveland Clinic London working 1 day per week.	28.03.2022	23.12.2021	Ongoing	<p>Declare and participate.</p> <p>Rationale: This salaried employment would not affect the committee member's ability to objectively consider the evidence under review. There would not be any financial gain associated with committee</p>

							membership or the outcome of recommendations. Members paid employment
Dr Emer McGilloway	Topic Advisor	Direct – non-financial professional and personal interests	Member of Clinical Reference Group for Disability and Rehabilitation.	2016	23.12.2021	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Emer McGilloway	Topic Advisor	Direct – non-financial professional and personal interests	Member of National steering group for Spinal Cord injury.	2021	23.12.2021	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Emer McGilloway	Topic Advisor	Direct – non-financial professional and personal interests	Royal College of Physicians Regional Specialty adviser for Rehabilitation Medicine.	2017	23.12.2021	Ongoing	Declare and participate. Rationale: Specific to the guideline, however, not considered to pose a conflict of interest and

							benefit of expertise likely to outweigh risks.
Dr Emer McGilloway	Topic Advisor	Direct – non-financial professional and personal interests	Specialist Adviser on DVLA Neurology Panel.	2018	23.12.2021	Ongoing	Declare and participate. Rationale: Not specific to the guideline because it is not within the scope to make specific recommendations about the nature of DVLA assessments.
Dr Emer McGilloway	Topic Advisor	Direct – non-financial professional and personal interests	Consultant Adviser to Injured Players foundation for Rugby Football Union.	2020	23.12.2021	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Emer McGilloway	Topic Advisor	Direct – non-financial professional and personal interests	Member of British Society for Rehabilitation Medicine (BSRM).	2006	23.12.2021	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks. The

							committee member will not be involved in any consultation response offered by the BSRM.
Dr Jane Williams	Topic Advisor	Direct – financial interests	Consultant Paediatrician, Nottingham Childrens Hospital, Nottingham University Hospitals NHS Trust.	1989	03.11.2022	Ongoing	<p>Declare and participate.</p> <p>Rationale: This salaried employment would not affect the committee member's ability to objectively consider the evidence under review. There would not be any financial gain associated with committee membership or the outcome of recommendations.</p> <p>Members paid employment</p>
Dr Jane Williams	Topic Advisor	Direct – financial interests	Editor Royalties Book Children with Neurodev Disabilities (approx. £30/yr).	2013	18.03.2022	Ongoing	<p>Declare and participate.</p> <p>Rationale: Publication specific to the guideline but published and views expressed nearly 10 years ago. Small ongoing financial gain through royalties. No addition potential financial gain</p>

							through involvement in committee.
Dr Jane Williams	Topic Advisor	Direct – non-financial professional and personal interests	Member CRG Paed Neurosciences.	2012	18.03.2022	2022	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Jane Williams	Topic Advisor	Direct – non-financial professional and personal interests	NHSE Neurosciences CRG.	2013	16.05.2022	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Jane Williams	Topic Advisor	Direct – non-financial professional and personal interests	Board Member as Trustee SUCCESS Charity (Charity mission to attract funding to improve rehabilitation opportunities in CYP who have had a brain tumour).	08.09.2023	21.09.2023	Ongoing	Declare and participate. Rationale: Specific to the guideline, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.

Dr Jane Williams	Topic Advisor	Direct – non-financial professional and personal interests	e- Book Chapter ' <i>Acquired Brain Injury</i> ' Child Development and Disability Essentials edited by Gillian Robinson, Katherine Martin, Arnab Seal, and Karen Horridge. Available on Mac Keith Press website here: Child Development and Disability Essentials	15.07.2024	23.07.2024	15.07.2024	Specific Declare and participate. Rationale: This is an online guide comprehensively covering child-onset disability and the differences between conditions, variations and common development. It is a student resource and not focused on rehabilitation.
Mrs Rachel Keetley	Topic Advisor	Direct – financial interests	Advanced Practitioner Children's Physiotherapist – Nottingham University Hospitals - Part-time.	2007	03.11.2022	Ongoing	Declare and participate. Rationale: This salaried employment would not affect the committee member's ability to objectively consider the evidence under review. There would not be any financial gain associated with committee membership or the outcome of recommendations. Members paid employment
Mrs Rachel Keetley	Topic Advisor	Direct – financial interests	Private practice – a small caseload of private	2007	18.03.2022	Ongoing	Declare and participate.

			<p>patients not connected to my NHS work.</p> <p>See a small number of children and young people with long term neurological conditions for physiotherapy.</p> <p>No longer actively advertising or taking new patients and gradually reducing private caseload due to work and PhD commitments.</p>				<p>Rationale: Very small practice and practice mirrors NHS work. Little possibility for financial gain to the member and thus her private practice was not considered to pose a conflict of interest.</p> <p>Members paid employment</p>
Mrs Rachel Keetley	Topic Advisor	Direct – financial interests	PhD Student researching long-term needs of CYP with ABI – study exploratory in nature (stipend).	2019	18.03.2022	Ongoing	<p>Declare and participate.</p> <p>Rationale: PhD is related to the guideline but is wider than the subject of rehabilitation. It is not yet published and would not be used as part of the evidence base for the guidelines. If the PhD publishes before the guideline this interests register will be careful to consider any strong views expressed in the context of the development of guideline recommendations.</p>

Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	University of Nottingham School of Medicine Sue Watson presentation (PhD student presentations) – presentation of PhD results so far (long term needs of CYP with ABI).	17.05.2022	21.06.2022	17.05.2022	Declare and participate. Rationale: The presentation was for interim considerations of the PhD. The subject of PhD is only covering part of the guideline population and the treatments covered are wider than the scope of the guideline.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	European Academy of Childhood Disability Conference – virtual poster presentations of PhD protocol and survey results.	18.05.2022	21.06.2022	20.05.2022	Declare and participate. Rationale: The presentation was for protocol and other early considerations for PhD. The subject of PhD is only covering part of the guideline population and the treatments covered are wider than the scope of the guideline.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	University of Nottingham School of Medicine Centre for Rehabilitation and Ageing Research PhD Student seminar – presentation of PhD results so far (long term needs of CYP with ABI).	01.06.2022	21.06.2022	01.06.2022	Declare and participate. Rationale: The presentation was for interim considerations of the PhD. The subject of PhD is only covering part of the guideline population and the treatments

							covered are wider than the scope of the guideline.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	Nottingham University Hospitals EEE Conference – presentation of PhD results so far (long term needs of CYP with ABI).	09.06.2022	21.06.2022	09.06.2022	Declare and participate. Rationale: The presentation was for interim considerations of the PhD. The subject of the PhD is only covering part of the guideline population and the treatments covered are wider than the scope of the guideline.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	Abstract accepted for oral presentation at International Paediatric Brain Injury Conference – 20th-24th September 2022, New York.	16.06.2022	05.07.2022	25.09.2022	Declare and participate. Rationale: The presentation was for interim considerations of the PhD. The subject of the PhD is only covering part of the guideline population and the treatments covered are wider than the scope of the guideline.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	International Paediatric Brain Injury Conference – oral presentation (10 mins) on PhD study results.	22.09.2022	24.10.2022	22.09.2022	Declare and participate. Rationale: The presentation was for interim considerations of

							the PhD. The subject of the PhD is only covering part of the guideline population and the treatments covered are wider than the scope of the guideline.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	<p>Tessa Jowell Brain Cancer Mission – Paediatric Centres of Excellence – asked to advise re: rehabilitation for children with brain tumours for the peer review process.</p> <p>Involves informing team re: rehabilitation context currently and what questions should be included in the peer review.</p> <p>This is an evolving role that now includes putting the peer reviews together (from 08.03.2023).</p>	06.10.2022	24.10.2022	Ongoing	<p>Declare and participate.</p> <p>Rationale: Potential overlap with context issues for this guideline scope, however not about specific interventions, and not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.</p>
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	Invited speaker (part of team) at Neptune (Paediatric Trauma) conference on BRILL (Brain Injury: Living Life) Team and PhD (not paid).	30.06.2023	22.09.2023	30.06.2023	<p>Declare and participate.</p> <p>Rationale: Specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.</p>

Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	Teaching re: BRILL (Brain Injury: Living Life) Team and PhD to Paeds ED SHO's (Nottingham Children's Hospital) (not paid).	06.09.2023	22.09.2023	06.09.2023	Declare and participate. Rationale: Specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	CYPIC Governance and Education Day (Children's Oncology Network – East Midlands) – invited speaker – presentation with colleague regarding OT/PT in oncology and neurorehabilitation (BRILL Team) (not paid).	14.09.2023	22.09.2023	14.09.2023	Declare and participate. Rationale: Partially specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	BRILL (Brain Injury: Living Life) Service study day – organized and presented on role of physio within BRILL Team and neurorehabilitation of CYP with acquired brain injuries (not paid).	19.09.2023	22.09.2023	19.09.2023	Declare and participate. Rationale: Specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	Abstract accepted for oral presentation at European Academy of Childhood Disability Conference 2024, Bruges, 29/05 – 01/06/24	18.12.2023	23.01.2024	01.06.2024	Declare and participate. Rationale: There is potential overlap with the guideline but benefit of expertise likely to outweigh risks.

			Presenting on the findings from my PhD - title was Understanding barriers and facilitators to participation and well-being in children and young people following acquired brain injury - a multi-stakeholder interview study.				
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	Paper from PhD accepted for publication in Brain Injury 'Child and family health-related quality of life and participation outcomes and goals after acquired brain injury: a cross-sectional survey	20.01.2024	23.01.2024	Ongoing	Declare and participate. Rationale: There is potential overlap with the guideline but benefit of expertise likely to outweigh risks.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	Paper from PhD accepted for publication in Brain Impairment 'Understanding barriers and facilitators to long-term participation needs in children and young people following acquired brain injury: A qualitative multi-stakeholder study	23.01.2024	23.01.2024	Ongoing	Declare and participate. Rationale: There is potential overlap with the guideline but benefit of expertise likely to outweigh risks.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial	Invited by NHSE lead commissioner for Women's and Children's	03.01.2024	23.01.2024	Ongoing	Declare and participate. Rationale: Partially specific to the guideline

		professional and personal interests	services to join working party for revision of Paediatric Neurorehabilitation Service Specification				but unlikely to influence recommendation development and benefits outweigh the risks.
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	Publication of final paper from PhD – Keetley et al 2024. Enabling participation in community-dwelling children and young people with acquired brain injuries and their families: a theory-based, evidence-based and person-based approach to intervention development; BMJ Open.14.12. http://orcid.org/0000-0001-6004-1523	22.12.2024	03.06.2025	22.12.2024	
Mrs Rachel Keetley	Topic Advisor	Direct – non-financial professional and personal interests	Invited speaker at Success charity conference – presented PhD findings regarding needs of children and young people with ABI and their families	15.03.2025	03.06.2024	15.03.2025	
Mrs Yvonne Pettigrew	Lay member	Direct – financial interest	Public Contributor on the Professional Guidelines Group at the Royal	02.11.2021	27.10.2022	Ongoing	Declare and participate. Rationale: Partially specific to the guideline

			College of Occupational Therapy. (Paid role)				but unlikely to influence recommendation development and benefits outweigh the risks. Members paid employment
Mrs Yvonne Pettigrew	Lay member	Direct – financial interest	Lay member on the NICE committee reviewing the Guideline Management of Multiple Sclerosis.	April 2020	14.08.2021	Ongoing – anticipated early 2022	Declare and participate. Rationale: May be specific to guideline as neurological rehabilitation for people with MS is covered by this guideline in areas which are broader than the limited recommendations about rehabilitation in the MS guideline. Knowledge of the MS guideline may be advantageous to the committee.
Mrs Yvonne Pettigrew	Lay member	Direct – non-financial professional and personal interests	Volunteer Moderator for MS Trust Facebook posts. Unpaid Role.	08.07.2023	18.07.2023	Ongoing	Declare and participate. Rationale: May be specific to guideline as neurological rehabilitation for people with MS is covered by this guideline. Unlikely to influence recommendation

							development and benefits outweigh the risks.
Dr Sue Williams	Lay member	Direct – financial interests	Senior Social Researcher, Natural Resources Wales. Research lead for public agency providing evidence on the interaction between people and the natural environment, including mental and physical health benefits.	01.08.2005	23.01.2023	Ongoing	Declare and participate. Rationale: Not specific to guideline.
Dr Sue Williams	Lay member	Direct – non-financial professional and personal interests	Volunteer with Headway.	January 2019	06.07.2021	Ongoing	Declare and participate. Rationale: Specific to the guideline, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Sue Williams	Lay member	Direct – non-financial professional and personal interests	Volunteer with UK Acquired Brain Injury Forum.	January 2019	06.07.2021	Ongoing	Declare and participate. Rationale: Specific to the guideline, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Sue Williams	Lay member	Direct – non-financial	Ordinary member of the Silverling Charity (Brain Injury) – only as a	01.01.2020	23.01.2023	Ongoing	Declare and participate. Rationale: Specific to the guideline, however, not

		professional and personal interests	participant in user groups (art, writing, photography).				considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Sue Williams	Lay member	Direct – non-financial professional and personal interests	Developing a book proposal on Brain Injury rehab during Covid 19, to be submitted to Routledge for consideration as part of their book series on 'After Brain injury: Survivor Stories'. Please note, no publication has yet been approved so this might not go ahead.	15.09.2023	16.10.2023	Ongoing	Declare and participate. Rationale: Specific to the guideline, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Ms Teresa Clark	Committee member	Direct – financial interests	Consultant Physiotherapist, The Royal Hospital for Neurodisability, London.	June 2015	03.11.2022	Ongoing	Declare and participate. Rationale: This salaried employment would not affect the committee member's ability to objectively consider the evidence under review. There would not be any financial gain associated with committee membership or the outcome of recommendations. Members paid employment

Ms Teresa Clark	Committee member	Direct – financial interests	Very small and intermittent private practice (only one patient in 2022).	2007	03.11.2022	Ongoing	<p>Declare and participate.</p> <p>Rationale: Very small practice and practice mirrors NHS work. Little possibility for financial gain to the member and thus her private practice was not considered to pose a conflict of interest.</p> <p>Members paid employment</p>
Ms Teresa Clark	Committee member	Direct – financial interests	<p>I have received (and continue to intermittently receive) financial support in the form of training/education, accommodation and subsistence from pharmaceutical companies – Allergan and Xeomin.</p> <p>All training related to the clinical use of botulinum toxin.</p>	2017	24.06.2021	Ongoing	<p>Declare and participate.</p> <p>Rationale: There is some potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different forms of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.</p>

Ms Teresa Clark	Committee member	Direct – financial interests	I acted as a paid Consultee (clinical expert) for Xeomin (pharmaceutical company) in their development and application of a product licence and NICE guidance development (for the use of botulinum toxin in the treatment of sialorrhea).	2017	24.06.2021	2017	Declare and participate. Rationale: There is some potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different forms of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – financial interests	I routinely teach nationally and internationally on the topic of spasticity and contracture management (particularly relating to the use of botulinum toxin, medicines, splints and serial casts). No one drug company is ever advocated for – pharmacological treatments are discussed generically.	Teaching dates since committee membership (past and planned): 8-10.04.22 (Poland) 16-18.05.22 (Switzerland)	20.06.2022	Ongoing	Declare and participate. Rationale: There is some potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different forms or uses of botulinum toxin as this is beyond the

			<p>I do not privately receive payment for these, my employer receives payment.</p> <p>The course covers the available evidence base and practical fabrication of serial casts. It doesn't advocate for any one intervention over the other, or even over no intervention (as the evidence doesn't promote a stance either way). rather it discusses an individualised approach to clinical decision making.</p>	<p>10-12.06.22 (Poland)</p> <p>21-22.06.22 (UK)</p> <p>4-6.07.22 (UK)</p> <p>1-2.10.22 (Poland)</p> <p>Feb 2023 (Australia)</p> <p>March 2023 (UK)</p>			scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – financial interests	<p>Provided 2-day teaching session on spasticity and contracture management in Poland. Included use of botulinum toxin, serial casting and splinting.</p> <p>My employer received payment, I did not.</p>	01.10.2022	25.10.2022	02.10.2022	<p>Declare and participate.</p> <p>Rationale: Potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different forms or uses of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest</p>

							and benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – financial interests	Provided 2-day teaching session on spasticity and contracture management in the UK. Included use of botulinum toxin, serial casting and splinting. My employer received payment, I did not.	18.10.2022	25.10.2022	19.10.2022	Declare and participate. Rationale: Potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different forms or uses of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – financial interests	Lecture given to the NZ Physiotherapy society – spasticity and contracture. Paid nominal fee.	01.11.2022	03.11.2022	01.11.2022	Declare and participate. Rationale: Partially specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Ms Teresa Clark	Committee member	Direct – financial interests	Received training session from merz xeomin on US guided intrasalary	22.07.2022	12.08.2022	22.07.2022	Declare and participate. Rationale: Potential overlap with the guideline

			<p>botulinum toxin treatment for sialorrhea.</p> <p>Merz provided/paid for the committee member's training.</p>				<p>in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different forms or uses of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.</p>
Ms Teresa Clark	Committee member	Direct – financial interests	<p>Receiving training from Merz (botulinum toxin company) to administer xeomin for sialorrhea.</p> <p>Merz provided/paid for committee member's training.</p>	22.07.2022	20.06.2022	22.07.2022	<p>Declare and participate.</p> <p>Rationale: Potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different forms or uses of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.</p>

Ms Teresa Clark	Committee member	Direct – financial interests	<p>Taught course for OTs at Kings College London – managing complex spasticity following brain injury using botulinum toxin and serial casting/splinting.</p> <p>Hosted at Kings College London. Host paid committee member's employer for their time.</p>	04.07.2022	12.08.2022	06.07.2022	<p>Declare and participate.</p> <p>Rationale: Potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different forms or uses of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.</p>
Ms Teresa Clark	Committee member	Direct – financial interests	<p>Taught at specialist dentistry conference on botulinum toxin treatment of oromandibular dystonia and sialorrhea.</p> <p>Organised and hosted by committee member's employer. Employer took payment from participants.</p>	12.07.2022	12.08.2022	12.07.2022	<p>Declare and participate.</p> <p>Rationale: Potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different forms or uses of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest</p>

							and benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – financial interests	<p>Provided 2-hour seminar to the Australian physiotherapy association covering the assessment, diagnosis and physical management of people in disorders in consciousness.</p> <p>Included topics of clinical diagnosis and assessment of DOC. Physical management topics covered included – postural management, splinting and serial casting and resp care.</p> <p>Committee member's employer received a small payment.</p>	10.08.2022	12.08.2022	10.08.2022	<p>Declare and participate.</p> <p>Rationale: May be specific to guideline but benefit of expertise likely to outweigh risks.</p>
Ms Teresa Clark	Committee member	Direct – financial interests	<p>Taught on a webinar about sialorrhea management.</p> <p>Specifically delivered 45 min lecture on the use of botulinum toxin for sialorrhea.</p> <p>Organised and hosted by committee member's</p>	27.06.2023	17.07.2023	27.06.2023	<p>Declare and participate.</p> <p>Rationale: Potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness of different</p>

			employer. Employer took payment from participants.				forms or uses of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – financial interests	<p>Taught 2-day workshop on spasticity and contracture management – including botulinum, serial casting and splinting (UK).</p> <p>Organised and hosted by committee member's employer. 			<p>Did not present. Attendance paid by work. I believe the conference is financially sponsored by the botulinum toxin companies.</p> <p>I received no payment.</p>				<p>botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness if different forms of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.</p>
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	<p>Taught 3-day course at KCH on spasticity (including pharmacology) and contracture management.</p> <p>I received no payment. My work was paid by the NHS for running the course.</p>	25.09.2023	04.09.2023	28.09.2023	<p>Declare and participate.</p> <p>Rationale: Partially specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.</p>
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	<p>Gave lecture at PDOC conference hosted at my work (RHN) on the challenges of interventional research in pdoc (prolonged disorder of consciousness).</p> <p>I received no payment.</p>	28.09.2023	04.09.2023	28.09.2023	<p>Declare and participate.</p> <p>Rationale: Specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.</p>

Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Taught 2-day course on spasticity (including pharmacology) and contracture management at my workplace. I received no payment. My work was paid by participants.	10.10.2023	04.09.2023	11.10.2023	Declare and participate. Rationale: Partially specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Poster at CSP national conference in Birmingham on sialorrhea management. I received no payment. My workplace paid for my conference ticket and travel.	01.11.2023	04.09.2023	01.11.2023	Declare and participate. Rationale: Not specific to the guideline.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Taught 2-day course in Manchester on spasticity (including pharmacology) and contracture management. I received no payment. My work was paid by the NHS for running the course.	09.12.2023	04.09.2023	10.12.2023	Declare and participate. Rationale: Partially specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Taught health care workers at several locations about spasticity, and contracture management. Including the use of medications,	25.09.2023 – 27.09.2023 (Kings College Hospital)	15.11.2023	11.10.2023	Declare and participate. Rationale: There is some potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline

			botulinum toxin, serial casting and splinting	10.10.2023 – 11.10.2023 (Royal Hospital for Neuro-disability)			in the context of rehabilitation. Benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Spoke at a conference on prolonged disorder of consciousness about research ethics and methodology, challenges of research inclusion, and difficulties of EBM for people who lack decisional capacity	28.09.2023	15.11.2023	28.09.2023	Declare and participate. Rationale: Specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Support being given/relationship developing with Abbvie (formerly allergan) to help teach therapists under my supervision to administer botulinum toxin.	06.11.2023	15.11.2023	Ongoing	Declare and participate. Rationale: There is some potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation. Benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Poster presentation at CSP conference re the use of botulinum toxin to improve sialorrhea in people with CND (inc	01.11.2023	15.11.2023	01.11.2023	Declare and participate. Rationale: There is some potential overlap with the guideline in that use of

			severe brain injuries, MND and PDOC).				botulinum toxin may be referenced in the guideline in the context of rehabilitation. Benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Gave talk at Dental Conference about the use of botulinum neurotoxin for oromandibular indications (i.e. dystonia and sialorrhea). Unpaid, no benefits.	27.02.2024	08.05.2024	27.02.2024	Declare and participate. Rationale: There is some potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation. Benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Ran course for PTs and OTs at the RHN on spasticity and contracture management. Unpaid, no benefits.	12.03.2024	08.05.2024	13.03.2024	Declare and participate. Rationale: Partially specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Taught 2 days at the University of Bern, Switzerland – spasticity and contracture management (PT MSc programme)	26.03.2024	08.05.2024	27.03.2024	Declare and participate. Rationale: Partially specific to the guideline but unlikely to influence recommendation

			Unpaid, no benefits.				development and benefits outweigh the risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Ran course for PTs and OTs at the Tadworth Childrens trust on spasticity and contracture management. Unpaid, no benefits.	16.04.2024	08.05.2024	17.04.2024	Declare and participate. Rationale: Partially specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Supported by Merz (Xeomin) to attend cadaveric ultrasound training in Manchester. Travel, accommodation funded.	23.04.2024	08.05.2024	23.04.2024	Declare and participate. Rationale: Partially specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Ran course for OTs at KCL on spasticity and contracture management. Unpaid, no benefits.	24.04.2024	08.05.2024	26.04.2024	Declare and participate. Rationale: Partially specific to the guideline but unlikely to influence recommendation development and benefits outweigh the risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Chapter to be published in 'The Student Physiotherapist's Companion: A Case-Based Test-Your-Knowledge Guide' on	End of 2024	08.05.2024	Ongoing	Declare and participate. Rationale: May be partially specific to the guideline but benefits outweigh the risks and the guideline

			prolonged disorders of consciousness				recommendations are not specific about rehabilitation for people experiencing disorders of consciousness
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Manuscript submitted to Archives of Physical medicine and rehabilitation journal. 'Botulinum toxin for drooling in adults with severe brain injury. A retrospective review.'		15.08.2024	Ongoing	Specific Declare and participate. Rationale: This is a retrospective review and not new research
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Paper submitted to American Journal of Bioethics - Neuroscience 'Making healthcare decisions on behalf of people in a disorder of consciousness. A 'risk-making' theory of decisional practices.'	11/10/2024	11/10/2024		Specific Declare and participate. Rationale: This review was not used in our guideline nor has it come up in reruns.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Paper submitted to Expert Review of Neurotherapeutics The effectiveness and safety of botulinum toxin salivary gland injection for	11/10/2024	11/10/2024		Specific Declare and participate. Rationale: This review was not used in our guideline

			drooling in adults with severe brain injury.				nor has it come up in reruns.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Work presented at BSPRM conference – rx of sialorrhea with botulinum toxin (severe ABI).	07/11/2024	23/05/2025	07/11/2024	Declare and participate. Rationale: There is some potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation. Benefit of expertise likely to outweighs risks.
Ms Teresa Clark	Committee member	Direct – non-financial professional and personal interests	Taught 2-day course – treatment of muscle spasticity and contracture (including use of botulinum, splinting and serial casting) – at the RHN	13/11/2024	23/05/2025	14/11/2024	Declare and participate. Rationale: This is part of the members salaried employment and would not affect her ability to objectively consider the evidence under review. There would not be any financial gain associated with committee membership or the outcome of recommendations. Members paid employment

Dr Nicholas Behn	Committee member	Direct – non-financial	McKenzie, K., Behn, N., Rodgers, L., & Hilari, K.	2025	June 2025		Declare and participate.

		professional and personal interests	(2025) Functional communication disorders: a systematic review of interventions to improve outcomes in adults. <i>Disability and Rehabilitation</i> .				Rationale: Specific to the guideline, but not used in our evidence reports. Not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Nicholas Behn	Committee member	Direct – non-financial professional and personal interests	Wolford, L., Arratia, V., Behn, N., & Power, E (2025) The impact of acquired communication impairments on sexuality and intimacy: A scoping review. <i>International Journal of Language and Communication Disorders</i> .	2025	June 2025		Declare and participate. Rationale: Specific to the guideline but not used in our evidence reports. Not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Nicholas Behn	Committee member	Direct – non-financial professional and personal interests	Comer, A., Northcott, S., Behn, N., Roper, A., Devane, N., and Hilari, K. (2025). Experiences and perspectives of UK Speech and Language Therapists on Telehealth Assessment with People Living with Post Stroke Aphasia. <i>International Journal of Language and Communication Disorders</i> .	2025	June 2025		Declare and participate. Rationale: Specific to the guideline but not used in our evidence reports. Not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Rachel Farrell	Committee member	Direct – financial interests	Paid employment – Consultant Neurologist, The National Hospital for	September 2010	04.07.2021	Ongoing	Declare and participate. Rationale: This salaried employment would not

			Neurology & Neurosurgery, Queen Square, UCLH NHS Foundation Trust, London.				affect the committee member's ability to objectively consider the evidence under review. There would not be any financial gain associated with committee membership or the outcome of recommendations. Members paid employment
Dr Rachel Farrell	Committee member	Direct – financial interests	Consultant cover for inpatient Neurorehabilitation Unit, Cleveland Clinic, London (Private) – 1 day per week.	04.04.2022	04.07.2021	Ongoing	Declare and participate. Rationale: Small practice and practice mirrors NHS work. Little possibility for financial gain to the member and thus her private practice was not considered to pose a conflict of interest. Members paid employment
Dr Rachel Farrell	Committee member	Direct – financial interests	Chair and speaker webinar – Allergan PLC. Honoraria.	May 2020	04.07.2021	May 2020	Declare and participate. Rationale: Interest is no longer current.

Dr Rachel Farrell	Committee member	Direct – financial interests	Speaker webinar – Ipsen Botulinum toxin and spasticity management. Honoraria.	May 2020	04.07.2021	May 2020	Declare and participate. Rationale: Interest is no longer current.
Dr Rachel Farrell	Committee member	Direct – financial interests	Honoraria for speaking at educational events – GW/ Jazz. Discussing spasticity management and use of medications including botulinum toxins, Sativex and intrathecal baclofen.	2020	21.02.2022	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Rachel Farrell	Committee member	Direct – financial interests	Honoraria for speaking at education events – Merz. Discussing spasticity management and use of medications including botulinum toxins, Sativex and intrathecal baclofen.	2020	21.02.2022	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Rachel Farrell	Committee member	Direct – financial interests	Honoraria for speaking at education events – Allergan.	2015	21.02.2022	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not

							considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Rachel Farrell	Committee member	Direct – financial interests	Honoraria for participating advisory board, speaking at educational events – Ipsen.	November 2021	21.02.2022	November 2021	Declare and participate. Rationale: Interest is no longer current.
Dr Rachel Farrell	Committee member	Direct – financial interests	Hospitality to attend conference (MS debating society) – Merck.	Annual basis – 2011	21.02.2022	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
Dr Rachel Farrell	Committee member	Direct – non-financial professional and personal interests	Local PI Cog-Ex trial of cognitive rehabilitation in MS. Funded by the Canadian MS society. No personal compensation.	July 2020	04.07.2021	Ongoing	Declare and participate. Rationale: May be specific to guideline but benefit of expertise likely to outweigh risks and study is not yet published. Once published if the study forms a significant proportion of the evidence base for any review questions, member may

							be asked to withdraw from relevant discussions.
Dr Rachel Farrell	Committee member	Direct – non-financial professional and personal interests	Local PI Pattern trial (Merz trial high dose botulinum toxin for lower limb spasticity post stroke – UCLH). No personal compensation.	September 2019	04.07.2021	Was on hold during COVID and due to recommence	Declare and participate. Rationale: There is some potential overlap with the guideline in that use of botulinum toxin may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness if different forms of botulinum toxin as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.
Dr Rachel Farrell	Committee member	Direct – non-financial professional and personal interests	PI GW Pharma phase 1b trial to investigate the PK and PD of Sativex for MS spasticity. No personal compensation.	February 2020	04.07.2021	Ongoing	Declare and participate. Rationale: There is some potential overlap with the guideline in that management of spasticity may be referenced in the guideline in the context of rehabilitation, but there are no evidence reviews looking at the effectiveness if different

							treatments as this is beyond the scope of the guideline. So this is not considered to pose a conflict of interest and benefit of expertise likely to outweighs risks.
Dr Rachel Farrell	Committee member	Direct – non-financial professional and personal interests	Member MS Society UK Medical Advisory Committee – unpaid role.	July 2019	04.07.2021	Ongoing	Declare and participate. Rationale: Potential overlap with topics covered in the guideline scope, however, not considered to pose a conflict of interest and benefit of expertise likely to outweigh risks.
