

Fertility problems guideline committee interests register

Register last updated: November 2025

All interests have been signed off by the Chair and the NICE developer lead, except where otherwise stated.

Correction to Fertility Problems Guideline Register of Interests – 6th June 2025. See Stuart Lavery’s entry for details.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Fergus Macbeth	Chair	Direct Financial	Employment by North Bristol NHS Trust as a part time health professional vaccinator.	February 2022	December 2022	2023	Non-specific. Declare and participate. Rationale: Interest ceased
Raj Mathur	Committee member (early)	Direct Financial	Consultant Gynaecologist, Subspecialist in Reproductive Medicine and Surgery, Manchester University NHS Foundation Trust. Hon Senior Lecturer, University of Manchester	December 2014	October 2021	Ongoing	Non-specific. Declare and participate. Rationale: Salaried employment in the NHS.
Raj Mathur	Committee member (early)	Direct Financial	Private practice in fertility. I see patients with fertility problems and provide treatment to them at a private clinic (Manchester Fertility). I do this on a sessional basis and spend, on average, less than one day a week doing this. I do not have a financial interest in the clinic in the form of shares or ownership and I am paid per session worked rather than per patient seen or treated. Update July 2025: Increase in the amount of private practice from less than a day to approximately one day a week.	November 2015	October 2021 Update July 2025	Ongoing	Specific. Declare and participate. Rationale: This private practice is not a conflict due to limited weekly work and no financial interest in the clinic.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Raj Mathur	Committee member (early)	Direct Financial	Received financial support to attend the annual conference of the American Society of Reproductive Medicine from a drug company, Ferring.	October 2021	October 2021	October 2021	Specific. Declare and participate. Rationale: May need to withdraw from making recommendations if Ferring products considered for inclusion, if that arises.
Raj Mathur	Committee member (early)	Direct Financial	Received a fee from a drug company Merck to participate in an Advisory Board on the role of LH in ovarian stimulation.	May 2021	October 2021	May 2021	Specific. Declare and participate. Rationale: Will withdraw from discussions on the role of Merck products LH on ovarian stimulation should it be discussed
Raj Mathur	Committee member (early)	Direct Financial	Received a fee for developing a presentation on ovarian stimulation from a drug company Gedeon Richter.	April 2021	October 2021	April 2021	Specific. Declare and participate. Rationale: Will withdraw from discussions on the role of LH on ovarian stimulation should it be discussed
Raj Mathur	Committee member (early)	Direct Financial	Received fees over a period of 8 months from IVF Life Spain group for providing advice on clinical governance and compliance with UK regulation.	January 2021	October 2021	August 2021	Specific. Declare and participate. Rationale: Interest ceased more than 12 months before guideline development started.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Raj Mathur	Committee member (early)	Direct Non-financial professional and personal	Chair of the British Fertility Society	January 2021	October 2021	January 2024	Non-specific Declare and participate. Rationale: Involvement in professional society is not a conflict with development of the guideline.
Raj Mathur	Committee member (early)	Direct Non-financial professional and personal	Adviser to Fertility Network UK, which is the national patient organisation. The organisation provides a range of support and resources for patients and supports fairness in NHS funding of fertility treatment.	June 2021	October 2021	May 2024	Non-specific. Declare and participate. Rationale: Interest ceased
Raj Mathur	Committee member (early)	Direct Non-financial professional and personal	Adviser to the Scientific and Clinical Advances Advisory Committee of the HFEA (Human Fertilisation and Embryology Authority).	September 2014	October 2021	May 2024	Non-specific. Declare and participate. Rationale: Interest ceased
Raj Mathur	Committee member (early)	Direct Non-financial professional and personal	Invited to sit on the advisory board of a new UK fertility charity – the Fertility Alliance	January 2024	January 2024	Ongoing	Non-specific. Declare and participate. Rationale: Working for a charity is not a conflict with the development of the guideline.
Raj Mathur	Committee member (early)	Direct Non-financial professional and personal	I am a member of the Greater Manchester Assisted Conception and Fertility Preservation Steering Group, which was dormant but has been re-started in September 2024. My role is to provide advice and opinion about different models of delivering care for fertility patients across Greater Manchester. This includes developing pathways for different patient groups, and will potentially also include the	November 2020 to July 2022, re-started September 2024	September 2024	Ongoing	Non-specific. Declare and participate. Rationale: Involvement in a professional organisation is not a conflict with the development of the guideline.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
			number of IVF cycles to be funded by the NHS locally. The group is ultimately answerable to Greater Manchester Integrated Care Board. It has membership from clinicians and managers from regional hospitals and assisted conception providers.				
Raj Mathur	Committee member (early)	Direct Non-financial professional and personal	Co-author on review article on varicocele management by Maheshwari et al. (2020) DOI:10.1080/14647273.2020.1785117	July 2020	February 2025	Ongoing	Specific. Declare and participate. Rationale: The review article addresses a topic that is specific to the guideline, but its conclusions are not prescriptive and does not express a strong opinion on the matter under discussion, so an open declaration is sufficient.
Jason Kasraie	Committee member (early)	Direct Financial	Consultant Clinical Scientist (Andrologist & Embryologist) - HFEA Person Responsible, Head of Fertility Services, the Shrewsbury & Telford Hospitals NHS Trust	September 2008	October 2021	Ongoing	Non-specific. Declare and participate. Rationale: Salaried employment in the NHS.
Jason Kasraie	Committee member (early)	Direct Financial	Merck SMART masterclass professional advisory board (organise an annual masterclass meeting with/for Merck - we are tasked with discussing speakers and topics etc and acting as the faculty for the meeting).	January 2019	October 2021	November 2024	Specific. Declare and participate. Rationale: May need to withdraw from making recommendations if Merck products considered for inclusion, if that arises

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Jason Kasraie	Committee member (early)	Direct Non-financial professional and personal	Member of the board of the Human Fertilisation and Embryology Authority (HFEA)	January 2021	October 2021	October 2024	Non-specific. Declare and participate. Rationale: Providing advice to HFEA, who are observers for the guideline, is not a conflict with the development of the guideline.
Jason Kasraie	Committee member (early)	Direct Non-financial professional and personal	Chair of the Association of Reproductive and Clinical Scientists (ARCS)	January 2017	October 2021	January 2022	Non-specific. Declare and participate. Rationale: Involvement in professional society is not a conflict with development of the guideline.
Jason Kasraie	Committee member (early)	Direct Non-financial professional and personal	Visiting Professor University of Chester	September 2019	October 2021	Ongoing	Non-specific. Declare and participate. Rationale: An academic role is not a conflict with development of the guideline.
Jason Kasraie	Committee member (early)	Direct Non-financial professional and personal	Member of Genomics and Reproductive Science specialist advisory committee and the Royal College of Pathologists	June 2020	October 2021	Ongoing	Non-specific. Declare and participate. Rationale: Involvement in professional organisation is not a conflict with development of the guideline.
Jason Kasraie	Committee member (early)	Direct Financial	Chair of organizing committee for IBSA pharmaceuticals 'Articulate' meeting. Receive compensation for chairing the meeting (6 meetings a year).	January 2025	February 2025	Ongoing	Specific. Declare and participate. Rationale: Some of the topics covered in these meetings may overlap with the topics covered in the guideline update. However, these scientific meetings are

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
							educational, and the company has no input to the content of the talks and products are not mentioned. Payment received is proportionate. No need to withdraw.
Majed Shabbir	Committee member (early)	Direct Financial	Consultant Urological Surgeon - Specialist in Andrology and Genito-urethral Reconstruction, Guy's and St. Thomas' Hospital, London Honorary Senior Lecturer, King's College, London	July 2012	October 2021	Ongoing	Non-specific. Declare and participate. Rationale: Salaried employment in the NHS.
Majed Shabbir	Committee member (early)	Direct Financial	Private practice (private outpatient clinic 3 times a month and 2 private operating lists a month). I am an independent practitioner and have no financial interest in any clinic. My private practice mirrors my NHS practice of andrology, male infertility and genito-urethral reconstruction.	2014	October 2021	Ongoing	Specific. Declare and participate. Rationale: Agreed that this private practice is not a conflict due to limited weekly work and no financial interest in the clinic.
Majed Shabbir	Committee member (early)	Direct Financial	Receive referrals to private practice from IVF Matters. No financial interest or stake in the company, and am only sent the occasional sub-fertile man for clinical assessment and management.	November 2022	November 2022	Ongoing	Specific. Declare and participate. Rationale: Agreed that this private practice is not a conflict due to limited weekly work and no financial interest in the clinic.
Majed Shabbir	Committee member (early)	Direct Financial	Payment by Boston Scientific for teaching on annual training courses (AGOUR course for FRCS Urol)	2012	October 2021	Ongoing	Specific. Declare and participate. Rationale: May need to withdraw from making recommendations if Boston scientific products

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
							considered for inclusion, if that arises
Majed Shabbir	Committee member (early)	Direct Financial	Payment by Boston Scientific for Speaking at Industry Sponsored Plenary Session at British Association of Urological Surgeons (BAUS) 2021 (on post-prostatectomy care).	June 2021	October 2021	June 2021	Non-specific. Declare and participate. Rationale: Prostatectomy is not directly related to fertility.
Majed Shabbir	Committee member (early)	Direct Non-financial professional and personal	Chair of the British Association of Urological Surgeons (BAUS) section of Andrology and Genito-urethral Reconstruction	January 2020	October 2021	January 2022	Non-specific. Declare and participate. Rationale: Involvement in a professional organisation is not a conflict with development of the guideline.
Majed Shabbir	Committee member (early)	Direct Financial	Payments from online prescribing service (MedExpress Enterprises Ltd) to provide clinical information on treatment and management of erectile dysfunction.	December 2022	December 2022	Ongoing	Non-specific. Declare and participate. Rationale: Not specific to guideline as erectile dysfunction is not included in the scope of the guideline.
Majed Shabbir	Committee member (early)	Direct Financial	Honorarium and travel expenses received for teaching activity: gave a talk on male fertility issues, 'Clinical andrology: from assessment to treatment', at Merck-sponsored event called Next Gen. The talk covered how take a salient history and examination in men with fertility issues, and how to assess and improve their general health and with it their fertility (i.e stop smoking, treat	November 2023	November 2023	November 2023	Specific. Declare and participate. Rationale: May need to withdraw from making recommendations if Merck products considered for inclusion, if that arises.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
			diabetes, lose weight, improve diet). It included the standard surgical approaches which are used to treat obstruction and to retrieve sperm and did not promote any pharmaceutical products.				
Majed Shabbir	Committee member (early)	Direct Non-financial professional and personal	Co-authored review article on varicocele treatment by Yan et al (2019). doi:10.1080/14647273.2019.1582807	2019	February 2025	Ongoing	Specific. Partial exclusion. The Committee member will be permitted to remain for discussion of the evidence review for varicocele to answer questions of fact. The Committee member will withdraw from further discussion and formulation of the draft recommendations for this topic. Rationale: The paper expresses an opinion directly relevant to this guideline. It reviews the evidence about the effect of treating varicocele on male fertility and makes specific conclusions for future recommendation making.
Majed Shabbir	Committee member (early)	Direct Financial	Offered sponsorship to attend a fertility meeting in January 2026 by testHim/LogixX Fertility. The company is paying for travel, accommodation and registration, and possibly a dinner, to attend annual Fertility Conference 2026 in Edinburgh. No personal payment or consultation fee, no talks given.	January 2026	November 2025	January 2026	Non-specific Declare and participate Rationale: Sponsorship to attend conference is reasonable. The member is not giving a talk and no personal payment will be received.
Kate Brian	Lay member	Direct	Operations Manager, Fertility Network UK	Interest arose more than 12	October 2022	Ongoing	Non-specific.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
		Financial		months before appointment			Declare and participate. Rationale: Salaried employment in a not-for-profit organisation.
Kate Brian	Lay member	Direct Financial	Editor, Journal of Fertility Counselling	Interest arose more than 12 months before appointment	October 2022	Ongoing	Non-specific. Declare and participate. Rationale: Editing a journal is not a conflict with development of the guideline
Kate Brian	Lay member	Direct Financial	Lay Editor, Reproduction and Fertility	Interest arose more than 12 months before appointment	October 2022	Ongoing	Non-specific. Declare and participate. Rationale: Editing a journal is not a conflict with development of the guideline
Kate Brian	Lay member	Direct Financial	Author of four books related to fertility - no current royalty payments: <ul style="list-style-type: none"> • 'In pursuit of parenthood' • 'Precious babies: pregnancy, birth and parenting after infertility' • 'The complete guide to female fertility' • 'The complete guide to IVF'. 	Interest arose more than 12 months before appointment	October 2022	Ongoing	Non-specific. Declare and participate. Rationale: Books are information guides and so are not in conflict with the development of the guideline.
Kate Brian	Lay member	Direct Financial	Lay examiner, RCOG	Interest arose more than 12 months before appointment	October 2022	Ongoing	Non-specific. Declare and participate. Rationale: Not specific to the guideline
Kate Brian	Lay member	Direct	Lay representative, Health Education England	Interest arose more than 12	October 2022	Ongoing	Non-specific.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
		Financial		months before appointment			Declare and participate. Rationale: Not specific to the guideline
Kate Brian	Lay member	Direct Non-financial professional or personal interest	Honorary Fellow, RCOG	2021	October 2022	Ongoing	Non-specific. Declare and participate. Rationale: Not specific to guideline
Kate Brian	Lay member	Direct Non-financial professional or personal interest	Lay member, HFEA	Interest arose more than 12 months before appointment	October 2022	2020	Non-specific. Declare and participate. Rationale: Membership of HFEA ended more than 12 months before the start of guideline development.
Kate Brian	Lay member	Direct Non-financial professional or personal interest	Lay member, Stop OHSS trial committee	2021	October 2022	Ongoing	Non-specific. Declare and participate. Rationale: Management of OHSS is not a topic included in the scope of this update.
Kate Brian	Lay member	Direct Non-financial professional or personal interest	Member, HFEA's Scientific and Clinical Advances Advisory Committee	Interest arose more than 12 months before appointment	October 2022	May 2024	Non-specific. Declare and participate. Rationale: Interest ceased
Kate Brian	Lay member	Direct Non-financial professional or personal interest	Member, RCOG Genomics Task Force	2020	October 2022	May 2024	Non-specific. Declare and participate. Rationale: Interest ceased.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Kate Brian	Lay member	Direct Non-financial professional or personal interest	Unpaid work for a newly registered charity The Fertility Alliance. The charity will be focused on providing support and evidence-based information about fertility.	January 2024	January 2024	Ongoing	Non-specific Declare and participate. Rationale: Working for a charity is not a conflict with the development of the guideline.
Kate Brian	Lay member	Direct Financial	Commenting on fertility wellbeing app	June 2024	June 2024	June 2024	Non-specific. Declare and participate. Rationale: Does not specifically relate to guideline topics, providing comments on a wellbeing app does not conflict with the development of the guideline.
Kate Brian	Lay member	Direct Financial	Providing lay input to QMUL Building Bridges Impact Project.	June 2024	June 2024	Ongoing	Specific. Declare and participate. Rationale: Project relates to fertility treatment add-ons which is within the remit of the guideline update. However, giving lay input to their project does not conflict with the development of the guideline.
Ciaran Hannington	Lay member	Direct Financial	Currently employed as a Learning Support Mentor at Ackworth School. Also works with the same employer as a strength and conditioning coach, supervising the gym for the boarding pupils.	Interest arose more than 12 months before appointment	November 2022	Ongoing	Non-specific. Declare and participate. Rationale: Salaried employment in the education sector.
Ciaran Hannington	Lay member	Direct Non-financial professional	Fertility Network UK Ambassador - role is to raise the profile of the charity, whilst also working to raise awareness for those facing fertility challenges.	November 2022	November 2022	Ongoing	Specific. Declare and participate. Rationale: Working as an ambassador for a charity is not a

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
		or personal interest					conflict with the development of the guideline
Ciaran Hannington	Lay member	Direct Financial	<p>Paid employment for developing personal training programmes for men preparing for fertility treatments. Record videos, blogs and training plans centered around fitness support for fertility, to provide guidance to men going through fertility journeys to improve their fitness whilst ensuring this fitness plan doesn't have a detrimental effect on their fertility.</p> <p>Previously done this for free but I have now begun to charge for my services (November 2023).</p> <p>Several partnerships are being developed currently. Will notify when confirmed.</p>	November 2023	December 2023	Ongoing	<p>Specific.</p> <p>Partial exclusion.</p> <p>Rationale: If lifestyle advice such as promoting weight loss, healthy diet and exercise are considered as interventions of interest in any evidence review, the member will be asked to withdraw from recommendation making related to this because it relates to his business activity.</p>
Ciaran Hannington	Lay member	Direct Financial	Podcast host for "The Male Fertility Podcast". Sponsored by Exseed Health.	November 2023	December 2023	Ongoing	<p>Non-specific.</p> <p>Declare and participate.</p> <p>Rationale: Podcast sponsor produces sperm testing kits but this is not covered by the guideline update and therefore there is no conflict of interest.</p>
Ciaran Hannington	Lay member	Direct Non-financial professional or personal interest	Fertility Network UK HIMfertility attendee - monthly group to support other men embarking on, going through or dealing with the outcome of their fertility journey.	September 2020	November 2022	Ongoing	<p>Non-specific.</p> <p>Declare and participate.</p> <p>Rationale: Providing support to other men is not a conflict with the development of the guideline.</p>

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Ciaran Hannington	Lay member	Direct Non-financial professional or personal interest	<p>I along with my co-founder have launched an online support platform for men facing fertility challenges, named, NeXYs Fertility Ltd. Here is a brief description of the platform.</p> <p>NeXys is a professional digital platform focused on supporting men experiencing fertility challenges. It provides access to expert-led resources including support groups, educational content, and wellbeing programs. The platform aims to improve awareness, education, and engagement around male fertility, promoting informed decision-making and holistic support for individuals and their partners.</p> <p>I have yet to take any financial gain from the platform, but may do soon. Additionally, we are looking for investment. However, this has not occurred yet.</p>	April 2025	April 2025	Ongoing	<p>Non-specific.</p> <p>Declare and participate.</p> <p>Rationale: Providing support to other men by providing access to education and support resources is not a conflict with the development of the guideline.</p> <p>If financial gain or investment occurs this will be considered separately as a financial interest.</p>
Ciaran Hannington	Lay member	Direct Financial	We have received investment from a single private investor for NeXYs Fertility LTD. The male support platform I co-founded in April.	September 2025	November 2025	Ongoing	<p>Specific</p> <p>Partial exclusion. The Committee member will withdraw from discussion of recommendations on peer support.</p> <p>Rationale: Peer support is part of the committee member's business activity, so this precludes him from discussion of recommendations related to this.</p>

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Nicky Hudson	Committee member	Direct Financial	Professor in Medical Sociology, School of Applied Social Sciences, De Montfort University. Director – Centre for Reproduction Research - De Montfort University	Interest arose more than 12 months before appointment	October 2022	Ongoing	Non-specific. Declare and participate. Rationale: Salaried employment in academia.
Nicky Hudson	Committee member	Direct Non-financial professional or personal interest	Publications and research focused on fertility patient experiences, donor experiences.	Interest arose more than 12 months before appointment	October 2022	Ongoing	Non-specific. Potential partial exclusion. Rationale: Studies on patient/donor experiences are unlikely to form part of the evidence base for the guideline's reviews. If published work expressed strong opinions, will need to withdraw from discussions relating to these topics, if this arises.
Nicky Hudson	Committee member	Direct Financial	Received research funding related to fertility	Interest arose more than 12 months before appointment	October 2022	Ongoing	Non-specific. Declare and participate. Rationale: Research in fertility-related topics in general is not a conflict with development of the guideline.
Nicky Hudson	Committee member	Direct Non-financial professional or personal interest	Member of the British Fertility Society's Law Policy and Ethics Special Interest Group. This role involves giving advice to the British Fertility Society regarding the landscape of fertility treatment and policy.	2021	October 2022	Ongoing	Non-specific. Declare and participate. Rationale: Expertise in fertility landscape is not a conflict with development of the guideline.
Nicky Hudson	Committee member	Direct Financial	Participated in a review of the scope of a Priority Research and Equipment Programme (PEPR) on "Women's	November 2022	April 2023	Ongoing	Non-specific. Declare and participate.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
			Health and Couples Health” by the French government (Agence Nationale de la Recherche/French National Research Agency (ANR)) as a member of the Scientific and Technological Committee (CSTP) that will be in charge of orienting and evaluating the actions. There was an honorarium for this stage of the review.				Rationale: Participation in review is not a conflict with development of the guideline.
Nicky Hudson	Committee member	Direct Financial	Asked to give a talk on Women’s Health at the GMC. There is a small honorarium associated with this talk.	April 2023	April 2023	May 2023	Non-specific. Declare and participate. Rationale: Giving a presentation on women’s health generally is not a conflict with development of the guideline.
Nicky Hudson	Committee member	Direct Financial	I have been invited to join the external review panel for a university-funded research programme on human reproduction at the University of Zurich: University Research Priority Programs University of Zurich UZH This is a one-off review (taking place over 2 days, unless re-invited) and there is an honorarium associated with this role. It will take place in March 2024.	August 2023	October 2023	April 2024	Non-specific. Declare and participate. Rationale: Participation in review is not a conflict with development of the guideline.
Nicky Hudson	Committee member	Direct Non-financial professional or personal interest	Invited to sit on the advisory board of a new UK fertility charity – the Fertility Alliance	January 2024	January 2024	Ongoing	Non-specific. Declare and participate. Rationale: Working for a charity is not a conflict with the development of the guideline.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Nicky Hudson	Committee member	Direct Non-financial professional or personal interest	I have been invited to give a keynote talk at the Australia and New Zealand Fertility Societies annual conference. The talk covers egg donation and expanded carrier screening. The conference and one of the panel discussions is partly sponsored by Merck, though I won't personally receive remuneration. My travel and accommodation will be reimbursed.	September 2025	April 2025	September 2025	Non-specific. Declare and participate. Rationale: Talk is not specific to evidence reviews covered by the update. No personal payment.
Nicky Hudson	Committee member	Direct Non-financial professional or personal interest	I have been invited to speak at the UK Fertility 2026 conference on the topic of expanded carrier screening in gamete donation. My travel and accommodation is paid for but I will not be paid for speaking.	January 2026	April 2025	January 2026	Non-specific. Declare and participate. Rationale: Talk is not specific to evidence reviews covered by the update. No personal payment.
Nicky Hudson	Committee member	Direct Non-financial professional or personal interest	I have been invited to speak at the first scientific symposium of the 'Women's Health, Couples' Health' Research Programme, INSERM, France, to be held in Paris on November 24-25, 2025. I have been asked to speak on the importance of humanities and social science research in the field of reproductive health. My travel and accommodation will be paid for.	November 2025	April 2025	November 2025	Non-specific. Declare and participate. Rationale: Talk is generic and not specific to any particular product or intervention. No personal payment.
Nicky Hudson	Committee member	Direct Non-financial professional or personal interest	I have previously declared an invitation to speak at the Australia and New Zealand fertility societies conference 6-9th September, 2025. In addition to the original declaration, business class travel is being provided by Merck, one of the sponsors. I will speak at Merck's	May 2025	May 2025	September 2025	Non-specific. Declare and participate. Rationale: Update to original declaration reflects reasonable travel expenses. Talk is not specific

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
			pre-congress workshop on expanded carrier screening for gamete donors on 7th September.				to evidence reviews covered by the update. No personal payment.
Nicky Hudson	Committee member	Indirect	Collaborative PhD studentship, funded by the Economic and Social Research Council, with Endometriosis UK as a project collaborator/advisor. Topic is 'Endometriosis and paid employment at the intersection: understanding organisational and lived experiences of a chronic condition'.	October 2024	November 2025	Ongoing	Non-specific Declare and participate. Rationale: Acting as a PhD supervisor is not a conflict with the development of the guideline. Topic is not specific to the guideline review questions.
Nicky Hudson	Committee member	Indirect	Research project funded by ESRC on expanded carrier screening. Progress Educational Trust are a project partner.	February 2023	November 2025	Ongoing	Non-specific Declare and participate. Rationale: Not specific to evidence reviews covered by the update.
Nicky Hudson	Committee member	Direct Financial	From 5th January I will take up a new full time role as professor of medical sociology at Loughborough university. This will involve academic research on the topics related to the guideline (as per my current paid role).	January 2026	November 2025	Ongoing	Non-specific Declare and participate Rationale: Salaried employment in academia.

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
				before appointment			<p>conflict with development of the guideline.</p> <p>Update June 2025:</p> <p>NICE has reviewed the register of interests document for members of the fertility problems committee and have identified an error on the part of NICE in the handling of committee member Stuart Lavery's declaration of interests. Mr Lavery declared shareholdings in two companies related to fertility – Aria Fertility and TMRW Lifesciences. Mr Lavery's shareholdings represent a direct financial interest and are recorded as such in the register of interests.</p> <p>On review, NICE's recording and management of the declaration about Aria Fertility was in error and did not address the shareholding clearly as a conflict of interest.</p> <p>Under the NICE policy on declaring and managing interests for NICE advisory committees v1.6 Para 19, a member with a direct financial interest may participate if their complete exclusion from the meeting would diminish the committee's access to clinical expertise on the matter under discussion. NICE believes that this is the case for Mr Lavery. Decisions on managing interests must balance the need for advisory committees to have access to the</p>

							<p>appropriate expertise on the areas under consideration, while minimising the risks to their perceived ability to objectively consider the evidence. (<i>Policy on declaring and managing interests for NICE advisory committees v1.6 Para 27</i>).</p> <p>We have updated the register of interests to make this clear.</p> <p>In addition to updating the register, the other members of the fertility guideline committee have been contacted with the corrected information and given the opportunity to reconsider their conclusions on the recommendations. The committee members decided that no changes were needed as a result of this corrected information.</p> <p>There is no suggestion that Mr Lavery did not declare the interest, or that there was any attempt to conceal the interest. No criticism of Mr Lavery should be read or inferred from this document.</p>
Stuart Lavery	Committee member	Direct Financial	Directorship of Juno Healthcare Partners Ltd A company offering women's healthcare in the private sector.	2020	October 2022	Ongoing	<p>Non-specific.</p> <p>Declare and participate.</p> <p>Rationale: payment for the directorship does not depend on patient throughput or nature of interventions so not a conflict with development of the guideline.</p>

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Stuart Lavery	Committee member	Direct Financial	Paid speaker for Ferring Ltd to chair a meeting	2021	October 2022	2021	Specific. Declare and participate. Rationale: Will need to withdraw from making recommendations relating to Ferring products, should this arise.
Stuart Lavery	Committee member	Direct Financial	Paid speaker for LD Collins	2022	October 2022	2022	Specific Declare and participate. Rationale: Will need to withdraw from making recommendations relating to LD Collins products, should this arise.
Stuart Lavery	Committee member	Direct Non-financial professional or personal interest	Member of advisory board for Progress Educational Trust	Interest arose more than 12 months before appointment	October 2022	Ongoing	Non-specific.
