1. Welcome, introductions and apologies

The Chair welcomed the Committee members and attendees, including colleagues from the NICE Guidelines Technical Support Unit at University of Bristol to the seventh meeting on Type 2 Diabetes in adults (medicines update). The Chair informed the Committee that apologies had been received. These are noted above.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was initial and subsequent treatment of type 2 diabetes.

The Chair asked committee members to verbally declare any new interests, these are noted below:

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Soon Song	Committee member, Consultant Diabetologist	RCP Edinburgh Diabetes and Endocrinology Symposium – Chair of the Symposium Organising Committee and gave a talk on ‘A young person with type 2 diabetes’. No honorarium received.	Direct, non-financial professional and personal	Declare and participate Not specific to the scope of the guideline

				update

This observational study involves analysis of primary care data only. The funding does not provide cover DT's	Direct Non-financial, professional and personal (for conducting the research) Indirect financial (as	Declare and participate Not specific to the scope of the guideline update

		time. The grant is not sponsored by industry.	funding goes to the Trust)	
The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from fully participating in the meeting.				
3. Minutes of previous meeting				
The minutes of the previous meeting were accepted as a true and accurate record.				
4. Health economics discussion				
The Chair introduced Muksitur Rahman and Sade Naku, Health Economists led a discussion on the Health economic modelling approach, checked some key assumptions with the committee and invited questions.				
5. Presentation of results from NMA on adverse events and continuous outcomes				
The Chair welcome Beatrice Downing and Nicky Welton from NICE's Guidelines Technical Support Unit at University of Bristol, who presented the committee with results from the Network Meta-Analyses on adverse events and continuous outcomes and sought input committee into the other NMAs being developed.				
6. NMA results: committee discussion				
The committee discussed the evidence presented to them though decided not to draft any recommendations at this stage.				
7. Health inequalities considerations				
Item deferred due to time constraints.				
8. AOB				
Adam O'Keefe, Project Manager (AO) outlined next steps before the Chair thanked participants and closed the meeting.				

Date of next meeting: Guideline Committee Meeting 8: Tuesday 19th and Wednesday 20 March 2024

Location of next meeting: Virtual
