## REPORTS OF DISCUSSIONS AT THE MEETING

### 1. Introductions

CM welcomed everyone to the 5<sup>th</sup> meeting of the Myeloma GDG. Apologies were received from Matthew Streetly and Sam Ahmedzai.

### 2. Declarations of Interest

The following declarations of interest were declared prior to the meeting:

- MJ declared that he has received reimbursement of travel and subsistence expenses and an honorarium from Amgen Oncology for taking part in an advisory board to discuss the 'current and future landscape of myeloma treatment' in September 2014. This interest was categorised as personal pecuniary, specific meaning that MJ must declare and withdraw from all discussions that involve interventions manufactured by Amgen Oncology until September 2015.
- CM declared that The Binding Site Ltd have offered to reimburse travel and subsistence expenses for attending their conference in Edinburgh in April 2015. This interest was categorised as personal pecuniary, non-specific meaning that CM can participate in discussion of all guideline topics as payment is not beyond reasonable expenses.
- MM declared that she will receive reimbursement of travel and subsistence expenses from Celgene for attending the Myeloma Academy educational event in Vienna in September 2014. This interest was categorised as personal pecuniary, non-specific

meaning that MM can participate in discussion of all guideline topics as payment was not beyond reasonable expenses.

- MM declared that she will receive an honorarium from Novartis for attending a nursing advisory board meeting on Panobinostat in October 2014. This interest was categorised as personal pecuniary, non-specific meaning that MM can participate in discussion of all guideline topics as Panobinostat is not being investigated by the guideline.

The following declarations of interest were declared at to the meeting:

- CM declared that he will receive reimbursement of travel and subsistence expenses from the organisers to attend the EBMT meeting in Turin in September 2014 where he will be chairing a session and presenting on maintenance and consolidation post transplant in myeloma patients. This interest was categorised as personal pecuniary, non-specific meaning that CM can participate in discussion of all guideline topics as payment is not beyond reasonable expenses.

The GDG were reminded that if they take on any new interests, these must be declared to the NCC-C as soon as they happen so that the necessary action can be taken.

### **3. Discussions**

The GDG discussed the evidence and agreed the recommendations and LETR tables for topics M and A.

The GDG finalised the review protocols for topic G, topic H and topic O.

JH updated the GDG on work in the health economic models for the guideline.
