

June 2025 exceptional surveillance of non-complex fractures: assessment and management (NICE guideline NG38)

Surveillance report

Published: 23 June 2025

www.nice.org.uk

In June 2025, we reviewed this guideline in the area of weight-bearing exercise following surgery to treat ankle fractures.

Surveillance decision

We will remove the recommendation for research on post-operative weight-bearing in people with ankle fractures. We will not update the guideline at this time.
