

2024 surveillance of non-alcoholic fatty liver disease (NAFLD): assessment and management (NICE guideline NG49)

Surveillance report

Published: 24 October 2024

www.nice.org.uk

Prioritisation Board recognised that there is a significant amount of new evidence in this area and agreed that there is a clear system need for up-to-date guidance on this topic.

Review decision: Prioritised

We have checked the evidence and plan to update this guideline.
