Notes

1. **Welcome, apologies and declarations of interest**
 The Chair welcomed the group to the eighth meeting of this GDG. Apologies were received from IB, DF, MH, NK, NT and GZ.
 The DOI register was made available to the GDG chair. The chair reviewed the DOI register and deemed that none of the original DOIs were in conflict with the agenda topics and clinical questions under discussion at the meeting. No action was required. MA-Y declared that he is a member of Independent Advisory panel on Deaths in Custody (Ministry of Justice), and a member of Harris Review: Deaths in 18-24 year olds in prisons (Ministry of Justice). It was agreed that these were personal, financial, non-specific interests and he should declare and participate.

2. **Review Question: How should chronic conditions be monitored in prison?**
 SH and LF presented the draft clinical and economic evidence reviews, respectively, for the question 'How should chronic conditions be monitored in prison?' The GDG discussed the evidence and drafted recommendations.

3. **Review Question: What are the barriers and facilitators for prison staff, healthcare workers and prisoners in managing emergency situations including first person on the scene?**
 TS and LF presented the draft clinical and economic evidence review, respectively, for the question 'What are the barriers and facilitators for prison staff, healthcare workers and prisoners in managing emergency situations including first person on the scene?' The GDG discussed the evidence and drafted recommendations.

4. **Any other business**
 None.
