recommendations from the committee members

- Agree draft recommendations, the evidence gaps and research recommendations

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was service organisation and delivery of wider health and social care needs of people with a severe mental illness combined with misuse of substance.

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting.

Name	Job title, organisation	Declarations of Interest, date declared	Decision taken
Sonia Johnson	Director UCL Division of Psychiatry University College London	Funded by the National Institute for Health Research (NIHR) as chief investigator in the CIRCLE trial, a multicentre investigation of the effectiveness of a contingency management intervention for cannabis use	Declare and participate
Luke Mitcheson	Consultant Clinical Psychologist, South London and Maudsley NHS Foundation Trust	Seconded to PHE from his NHS employer (SLAM) for one day a week to provide clinical advice. In this role, he is a member of the Dual Diagnosis Expert Reference Group and has provided advice on developing the PHE guidance on co-existing alcohol and drug misuse with mental health issues.	Declare and participate

The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from fully participating in the meeting.
