1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the fifth meeting on Drug misuse prevention. The Committee members and attendees introduced themselves.

The Chair welcomed the members of the public to the meeting. The members of the public had been briefed already, both verbally and in writing by the NICE team, and the Chair reminded them of the protocol for members of the public, whose role is to observe (they should not speak or ask questions). No filming or recording of the meeting is permitted. The Chair reminded all present that the Committee is independent and advisory, that its decisions and recommendations to NICE do not represent final NICE guidance, and that they may be changed as a result of public consultation.

The Chair informed the Committee that no apologies had been received.

The Chair outlined the objectives of the meeting, which included:

- Discussing the economic modelling
- Discussing written expert testimony
- Drafting recommendations

Introductions

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was Drug misuse prevention: targeted interventions.

The Chair asked everyone to verbally declare any interests that have arisen since

the last meeting.
