Notes

1. AB, the Chair, welcomed the GC. Apologies were received from Mike Hunter, Christopher Fairburn, Ursula Philpot, Susan Ringwood, Mandy Scott, Clifford Middleton, and Christine Vize.
2. The minutes of the previous meeting (26 June) were confirmed as a true and accurate record and the minutes of the meeting on 17 July to discuss categorisation of eating disorders and classification of psychological interventions to inform the use of network meta-analysis (NMA) were confirmed as a true and accurate record.
3. Two new declarations of interest were received.
4. TK led a discussion with the GC on classifying psychological interventions and clinical effectiveness.
5. Eric Slade (ES) presented the draft economic plan for the ED guideline and GC members were invited to review the plan and provide comments, prior to the submission to NICE.
6. LSa presented on individual psychological therapies.
7. NICE had provided feedback on the draft review protocols and requested more information on the interventions for reducing short and long-term physical complications of eating disorders. The GC discussed and agreed the interventions.
8. JW provided the GC with an introduction to the document management system used by the NCCMH.
9. No other business was raised.
10. Next meeting: 10.30am-4pm, Tuesday 6 October, 2015.
