National Institute for Health and Care Excellence

Version 2.0

Eating disorders: recognition and treatment

Appendix I - Search Strategies

NICE Guideline

Methods, evidence and recommendations

May 2017

Final

Disclaimer
Healthcare professionals are expected to take NICE clinical guidelines fully into account when exercising their clinical judgement. However, the guidance does not override the responsibility of healthcare professionals to make decisions appropriate to the circumstances of each patient, in consultation with the patient and/or their guardian or carer.
