Observer

Laura Delaney

Joost de Folter

1. Welcome, introductions and apologies

The chair welcomed the committee members and attendees to the 10th public health advisory committee D (PHAC D) meeting on managing common infections. The committee members and attendees introduced themselves.

The chair informed the committee that apologies had been received as noted above.

The chair outlined the objectives of the meeting, which included:

- discussing NICE QA team feedback: sore throat (acute)
- discussing the evidence and agreeing recommendations for recurrent UTI.
- discussing the evidence and agreeing recommendations for acute prostatitis.

The chair asked the committee to declare any additional relevant interests.

Name	Job title, organisation	Declarations of Interest, date declared
Avril Tucker	Antimicrobial Pharmacist	Submission of an abstract to the Welsh Public Health Conference on 'From Marshmallows to Magic - Engaging the Public to Reduce AMR'.

The chair and a senior member of the NICE Development team (NDT) noted that the interests declared did not prevent the attendees from participating in the meeting at the chair's discretion.

The minutes of the previous meeting were reviewed and agreed.

2. Discussion of NICE QA team feedback: sore throat (acute) and general updates.

JH gave a presentation updating the committee on progress to date. JH informed the committee that the January committee meeting has been cancelled.

FG gave an update on how NICE will co-ordinate with Public Health England on the antimicrobial prescribing guidelines.

10.15 FG left the meeting

JH gave an update on the guideline quality assurance process.

10.21 CM joined the meeting.

GM gave a presentation on the way data is presented and interpreted. GM presented the data for FeverPAIN and explained the significance of the data to the committee. GM responded to questions from the committee.

11.12 CM left the meeting while the committee discussed the recommendations due to a previously declared interest.

The committee discussed the guideline recommendations relating to the use of a scoring system

Following discussion the committee agreed amend the recommendations. The NDT will update the guideline and circulate it to the committee for feedback.

11.35 GM and GF left the meeting.

3. Discussion of evidence: recurrent UTI. Including agreement of draft recommendations

FF and VW gave a presentation on the evidence for the recurrent UTI guideline. JH made notes on an electronic version of the guideline and evidence review.

The committee discussed the evidence presented.

13.40 FG re-joined the meeting

The committee discussed the evidence for antibiotic prophylaxis in pregnant women.

14.00 JH left the meeting. LP took over making notes on an electronic version of the guideline and evidence review.

The committee discussed the recommendations for the guideline based on the evidence presented. The committee discussed the recommendations for non-pregnant women.

14.15 JH re-joined the meeting and took over making notes on an electronic version of the guideline and evidence review.

FF presented the evidence for antibiotic choice. The committee discussed antibiotic choice. The committee agreed draft recommendations.

The NDT will circulate the draft guideline following the meeting for committee comment.

4. Discussion of evidence: acute prostatitis. Including agreement of draft recommendations

JJ gave a short presentation on the evidence found for the acute prostatitis guideline. The committee discussed the evidence presented.

16.05 CW left the meeting.

16.10 JM left the meeting

5. Summary and next steps

JH highlighted the next steps in the process.

6. Any other business

No additional items were raised. The meeting closed at 16.12

Date of next meeting: Friday 17 November 2017, 10.00 – 16.00

Venue of next meeting: Manchester
