Linyun Fou

NGA Systematic Reviewer

1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the 9th meeting on Pancreatic Cancer.

No members of the public asked to observe the meeting.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: reviewing evidence and agreeing recommendations on topics 6, 3A and 2.

2. Declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was pancreatic cancer.

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting.

No new interests were declared.

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Pippa Corrie	Consultant and Associate Lecturer in Medical Oncology, Cambridge University Hospitals NHS Foundation Trust	I Undertook discussion with Nordic Pharma between 2014 - 2015 regarding request to supply S-1 as an IMP for an academic trial comparing S-1 with gemcitabine in poor performance metastatic pancreatic cancer patients. The trial proposal was submitted to CRUK FSC for research funding support but was not supported. Nordic Pharma was not able to provide research funding for the trial so the concept	Personal non-financial, specific	Declare and participate

		was not taken forward. Discussions ended September 2015.		
Pippa Corrie	Consultant and Associate Lecturer in Medical Oncology, Cambridge University Hospitals NHS Foundation Trust	UK Chief Investigator for HALO 301 trial - international phase III trial sponsored by Halozyne inc currently recruiting: A Phase 3, Randomised, Double-Blind, Placebo-Controlled, Multicentre Study of PEGylated Recombinant Human Hyaluronidase (PEGPH20) in Combination With nab-Paclitaxel Plus Gemcitabine Compared With Placebo Plus nab-Paclitaxel and Gemcitabine in Subjects with Hyaluronan-High Stage IV Previously Untreated Pancreatic Ductal Adenocarcinoma	Non-personal financial, specific.	Declare and participate.
Pippa Corrie	Consultant and Associate Lecturer in Medical Oncology, Cambridge University Hospitals NHS Foundation Trust	UK Chief Investigator for Artist 1 - international phase III trial sponsored by ARMO Inc due to open in July 2017: A Randomised Phase 3 Study of AM0010 in Combination with FOLFOX Compared with FOLFOX Alone as Second-line Therapy in Patients with Metastatic Pancreatic Cancer that has Progressed During or Following a First-Line Gemcitabine Containing Regimen	Non-personal financial, specific.	Declare and participate.
Pippa Corrie	Consultant and Associate Lecturer in Medical Oncology,	I am co-investigator for a new pancreatic cancer trial due to open this year which is funded by Plexxicon	Non-personal financial, specific.	Declare and participate.

	<p>Cambridge University Hospitals NHS Foundation Trust</p>	<p>and the CRUK New Agents Committee:</p> <p>A Phase Ib/IIa Trial Combining the Selective Dual Trk/Fms Kinase Inhibitor PLX-7486 with gemcitabine as first or second-line treatment, in patients with locally advanced or metastatic pancreatic ductal adenocarcinoma (PDAC) and cancer-related pain</p> <p>This is an early phase academic study sponsored by the NHS Greater Glasgow & Clyde / University of Glasgow currently under development. My role is in protocol development, study conduct and patient recruitment. The study is likely to open to recruitment towards the end of 2017.</p>

The film and educational resources have been developed via partnership with the National Council for Palliative Care, Pancreatic Cancer UK, Leeds Teaching Hospital, St Giles Hospice and NHS England.	Personal non-financial, non-specific	Declare and participate (end of life care is not covered in this guideline)
Lesley Goodburn	Lay member	Recorded a number of radio and TV pieces about her experience with end of life care with her husband who passed away as a result of pancreatic cancer.	Personal non-financial, non-specific	Declare and participate (end of life care is not covered in this guideline)

3. Minutes of last meeting

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that the minutes were a true and accurate account of the meeting.

The Chair confirmed that all matters arising had been completed or were in hand.

4. Presentations

The Chair introduced Kelly Williams, Systematic Reviewer, who gave a presentation on the clinical evidence for topic 6.

The Chair introduced James Hawkins, Health Economist, who gave a presentation on the health economic evidence for topic 6. James and Kelly then took questions from the Committee.

The Chair introduced James Hawkins, Health Economist, who have a presentation on the draft economic model for 5H.

The Chair introduced Ferruccio Pelone, Systematic Reviewer, who gave a presentation on the clinical evidence for question 3A. Ferruccio then took questions from the group. The Committee then discussed the issues presented in relation to this guideline.

The Chair introduced Fionnuala O'Brien, Project Manager, who delivered a presentation on the new NGA Travel and Expenses Policy.

The Chair introduced James Hall, NICE Editor, who delivered a presentation on the NICE editorial process.

5. Questions and discussion

The Committee discussed the clinical and economic evidence presented for questions 6 and 3A. They drafted recommendations and the section of the guideline linking evidence to recommendations.

The Committee discussed topic 2, which had no evidence, and drafted recommendations and the section of the guideline linking evidence to recommendations.

The Committee discussed and agreed editorial changes to the recommendations and signed off evidence to recommendations sections.

6. Any other business

No service user or carer concerns were raised.

Date of next meeting: 11 & 12 May 2017

Location of next meeting: RCOG, London
