

Membership of Attention deficit hyperactivity disorder Guideline Committee

The Committee will operate as an advisory Committee to NICE's Board, developing a guideline on attention deficit hyperactivity disorder (ADHD).

The terms of reference and standing orders for the Committee can be found in [appendix D of Developing NICE guidelines: the manual](#).

The Committee has 17 members.

Membership list

Agreed Constituency	Name	Job Title, Organisation	Comment
Chair			
	Gillian Baird	Consultant Paediatrician, Guy's and St Thomas' NHS Foundation Trust, and Professor of Paediatric Neurodisability, King's College London	
Clinical Advisor			
	Emily Simonoff	Professor of Child & Adolescent Psychiatry and Head of Department, King's College London	
Members			
	Marios Adamou	Consultant Psychiatrist, South West Yorkshire Partnership NHS Foundation Trust, and Visiting Professor, University of Huddersfield	
	Philip Asherson	Professor of Molecular Psychiatry and Honorary Consultant Psychiatrist, King's College London	
	Polly Branney	General Practitioner, Oxford ADHD Centre	

Committee membership list – Attention deficit hyperactivity disorder (update)

	Poppy Ellis Logan	Lay Member	
	Jean Fitzpatrick	Lay Member	
	Gisli Gudjonsson	Professor Emeritus of Forensic Psychology, Institute of Psychiatry, Psychology & Neuroscience, King's College London	
	Chris Hollis	Professor of Child & Adolescent Psychiatry, University of Nottingham, and Honorary Consultant in Developmental Neuropsychiatry, Nottinghamshire Healthcare NHS Foundation Trust	
	Nicole Horwitz	Consultant in Community Paediatrics, Islington Community Paediatrics, Whittington Health NHS Trust	
	Jen Lewis-Neill	Clinical Lead/Independent Nurse Prescriber, ADHD Service	
	Karen Pratt	Clinical Nurse Specialist, Evelina London Children's Hospital	
	Jonathan Rackham	Lay Member	
	Kapil Sayal	Professor of Child & Adolescent Psychiatry and Honorary	

Committee membership list – Attention deficit hyperactivity disorder (update)

		Consultant Psychiatrist, University of Nottingham	
	David Traxson	Chartered Educational and Child Psychologist, Sandwell Metropolitan Borough Council	
	Jody Warner-Rogers	Consultant Clinical Psychologist and Paediatric Neuropsychologist, Evelina London Children's Hospital, Guy's and St Thomas's NHS Foundation Trust	
	Ian Wong	Head of Research Department of Practice and Policy and Professor of Pharmacy Practice and Medicine Evaluation, University College London	
Co-opted members			
	Anne Addison	Clinical Specialist Occupational Therapist, Great Ormond Street Hospital for Children NHS Foundation Trust	
	Eric Rosenthal	Consultant Paediatric and Adult Congenital Cardiologist, Guy's and St Thomas' NHS Foundation Trust	

Date last reviewed: 04/07/2016

Declaration of Interests

The effective management of conflicts of interests is an essential element in the development of the guidance and advice that NICE publishes. Please refer to the NICE website for the [Policy on Conflicts of Interest](#).

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Gillian Baird	Consultant Paediatrician, Guy's and St Thomas' NHS Foundation Trust, and Professor of Paediatric Neurodisability, King's College London	Diagnoses and treats ADHD (usually in the context of co-morbidities) during clinical job as a neurodevelopmental paediatrician, 26/10/2015	Non-personal financial specific	No action needed
		No current grants as principle investigator, 26/10/2015	N/A	No action needed
		Wellcome Trust Co-applicant for "Specific language impairment and comorbidity: development over the first three years of schooling". PI Courtenay Norbury, 26/10/2015	Personal financial non-specific	No action needed
		Co-applicant for an NIHR program grant held by Emily Simonoff as PI into co-morbidities in ASD, 26/10/2015	Personal financial non-specific	No action needed
		Member of the ICD11 neurodevelopmental workgroup still in session but not for ADHD, 26/10/2015	Personal non-financial non-specific	No action needed
		Chair of the developmental follow-up of premature babies guideline, 26/10/2015	Personal financial non-specific	No action needed

Committee membership list – Attention deficit hyperactivity disorder (update)

Emily Simonoff	Professor of Child & Adolescent Psychiatry and Head of Department, King's College London	Lead investigator: NIHR Senior Investigator Award, National Institute for Health Research: £60,000 (£15,000 per annum), April 2015- March 2019, 20/08/2015	Personal financial non-specific	No action needed
		Lead investigator: Improving outcomes for people with autism spectrum disorders by reducing mental health problems? National Institute for Health Research: £1,987,842, April 2014-March 2019, 20/08/2015	Personal financial non-specific	No action needed
		Lead investigator: Why do people with autism spectrum disorders fare so differently in adult life? Autism Speaks: \$442,687.30 April 2012-March 2015, 20/08/2015	Personal financial non-specific	No action needed
		Co-investigator: Validating the Case Register Interactive Search (CRIS) system for large naturalistic treatment trials in youth: A two-phase study using Attention Deficit Hyperactivity Disorder as a model (ADHD). Biomedical Research Centre Nucleus Pilot Funding: £54,48366 March 2013-March 2014, 20/08/2015	Personal financial non-specific	No action needed
		Co-investigator: EU-aims: European autism interventions – a multicenter study for developing new medication. Principal Investigator: Professor Declan Murphy EU IMI : Euros 30m April 2012-March 2017, 20/08/2015	Personal financial non-specific	No action needed
		Co-investigator: Correlates and consequences of specific language impairment: development during the first 3 years of schooling. Principal Investigator: Dr Courtenay Norbury. WellcomeTrust: £507,698 January 2012-December 2015, 20/08/2015	Personal financial non-specific	No action needed
			Personal non-financial	No action

Committee membership list – Attention deficit hyperactivity disorder (update)

		<p>diagnosis or high levels of ADHD symptoms, 04/07/2017</p> <p>Presentation at RCPsych International Conference 2017 entitles “Consensus guidelines and research recommendations for autism spectrum disorders from the British Association for Psychopharmacology”. Treatment of ADHD in people with ASD was discussed. No honorarium received for this, 04/07/2017</p> <p>Interests to be declared: I am a co-applicant on a programme grant application to NIHR that will be submitted later this year. The focus of the application is to evaluate the effectiveness and cost-effectiveness of a parenting intervention for children at risk of ADHD. The intervention would be an online platform and families would be randomized following a referral to CAMHS services. 22/11/2017</p>	<p>Personal non-financial specific</p> <p>Personal non-financial specific</p>	<p>No action needed</p> <p>No action needed</p>
