<p>NICE DOI policy classifications are:</p> <ul style="list-style-type: none"> <li>• Personal financial specific</li> <li>• Personal financial non-specific</li> <li>• Personal non-financial specific</li> <li>• Personal non-financial non-specific</li> <li>• Non-personal financial specific</li> <li>• Non-personal financial non-specific</li> </ul>			

3. The meeting notes and NICE minutes of the last meeting were reviewed by the Committee and minor amendments were required to the meeting notes. The notes and NICE minutes were then agreed as a true and accurate record of the meeting.
4. JG led a discussion on pharma populations.
5. RB presented the clinical evidence for the qualitative adherence review. There was no economic evidence. The group discussed the evidence and made draft

- recommendations.
6. RB presented the clinical evidence for the non-pharma adverse effects review. There was no economic evidence. The group discussed the evidence.
  7. RY presented the clinical evidence for the non-pharma efficacy review. MC presented the health economic evidence. The group discussed the evidence and made draft recommendations.
  8. AOB: None.

**Date, time and venue of the next meeting**

**Committee Meeting 9:** Wednesday 18 January, 10:00-16:00, Wolfson Conference & Exhibition Room, 41 Portland Place
