[CVDPREVENT have produced bespoke quality improvement packs for integrated care boards \(ICBs\)](#). The packs present system level data for each ICB against key CVDPREVENT indicators for hypertension and lipid management. They also highlight practice level variation within your ICBs and include tips and key actions to improve.

## Disclaimer

These data packs have not been produced by NICE and are not maintained by NICE. In the event of any issues or errors, please contact [CVDPREVENT](#).
