Endorsed resource – Care Home Charter for Swallowing and Medicines

Implementation support
Published: 30 July 2019
www.nice.org.uk

The Patients Association has produced a leaflet that supports the implementation of recommendations in the NICE guidance on managing medicines in care homes and oral health for adults in care homes. It also supports statements 5 and 6 in the NICE quality standard for medicines management in care homes and statement 3 in the NICE quality standard for oral health in care homes.
