Subject: RE: Interferon alfa and ribavirin for the treatment of mild chronic hepatitis C - part review of existing guidance no. 75

Importance: High

Dear Alana

Specialist nurses working in this area of health have reviewed the Assessment Report for Interferon alfa and ribavirin for the treatment of mild chronic hepatitis C and have nothing further to add to the report. The Royal College of Nursing looks forward to participating in the next stage of the appraisal.

Thank you for the opportunity to comment. Please acknowledge receipt.

Regards

Caroline
