

THIS EMAIL IS SENT ON BEHALF OF PROFESSOR B W HANCOCK:

Comments on the Appraisal Consultation Document

- 1) I think all the relevant evidence has been taken into account.
- 2) The summaries are reasonable and views appropriate.
- 3) The provisional recommendations are reasonable.
- 4) There are no special equality related issues.

Other comments

There is good clinical evidence that rituximab , given with 'induction' chemotherapy, does give added benefit but I acknowledge that the best cost-effectiveness may be achieved with maintenance only.

Yours sincerely

Professor Barry Hancock
