Subject:RE: NICE Mulitiple Technology Appraisal - GIST Imatinib -

Assessment Report

Importance: High

Dear Jeremy

Nurses caring for patients with gastrointestinal stromal tumours have reviewed the

Assessment Report of the technology appraisal of Imatinib for the treatment of

unresectable and/or metastatic gastrointestinal stromal tumours (part review of TA86).

There are no comments to make on this document at this stage on behalf of the Royal

College of Nursing.

Thank you for the opportunity to review this document.

Please acknowledge receipt.

Regards
