

Dear Bijal

Nurses caring for people with non-valvular atrial fibrillation were invited to submit professional statement to inform the above health technology appraisal.

Feedback from them suggest that there is no further information to submit at this stage on behalf of the Royal College of Nursing.

Thank you for the invitation to submit professional statement.

We look forward to participating in the next stage of the appraisal.

Please acknowledge receipt.

Regards

The RCN represents nurses and nursing, promotes excellence in practice and shapes health policies
