Subject: RE: Initial scrutiny: Cochlear implant for children and adults with severe to profound deafness (part review of TA166) [ID1469]

Dear [REDACTED], dear [REDACTED],

We appreciate NICE carefully consider our final comments and provided us with an opportunity that we could reconsider it.

First of all, we agree that NICE acted fairly through the procedure of this appraisal, and we also accept your comments in the initial scrutiny letter.

Thank you.

Kindest regards,

[REDACTED]
