GUIDANCE EXECUTIVE (GE)

Consideration of consultation responses on review proposal

Review of TA83 Laparoscopic surgery for inguinal hernia repair

This guidance was issued in September 2004
The review date for this guidance is September 2010

Background

At the GE meeting 12 October 2010 it was agreed we would consult on the review plans for this guidance. A four week consultation has been conducted with consultees and commentators and the responses are presented below.

Proposal put to consultees:	This guidance should be moved to the static list
------------------------------------	--

GE is asked to consider the original proposal in the light of the comments received from consultees and commentators, together with any responses from the appraisal team. It is asked to agree on the final course of action for the review.

Recommendation post consultation:	This guidance should be moved to the static list
