

NATIONAL INSTITUTE FOR CLINICAL EXCELLENCE

Health Technology Appraisal

Tooth Decay - HealOzone

Response to consultee and commentator comments on the provisional matrix of consultees and commentators

	Proposed consultee:	Proposal made by:	Action taken:	Justification:
1.	Dental Rates Study Group or the equivalent new body.	Cochrane Oral Health Group	<input type="checkbox"/> No action	Further information on this group / a new group is not available, and the group has therefore not been added to the matrix
2.	The Department of Health Sciences of York University	Cochrane Oral Health Group	<input type="checkbox"/> No action	The Department of Health Sciences of York University is not a national research group and therefore does not fit the criteria for commentator selection Information regarding their previous work can be gathered by the Assessment Group if necessary

APPENDIX F

3.	The Dental Practice Board	Cochrane Oral Health Group	<input type="checkbox"/> No action	The Dental Practice Board is the statutory body that administers the General Dental Services of the National Health Service (NHS) and is accountable to the Department of Health and National Assembly for Wales The Department of Health and Welsh Assembly Government are already consultees for this appraisal, and are encouraged to engage with the Dental Practice board
4.	Comment by a Regional Dental Officer as a Clinical or Patient expert.	Cochrane Oral Health Group	<input type="checkbox"/> No action	The Cochrane Oral Health Group are encouraged to nominate a Regional Dental Officer as a clinical expert
5.	A Dental Health Economic Group should be enlisted to comment	Cochrane Oral Health Group	<input type="checkbox"/> No action	The Cochrane Oral Health Group are encouraged to nominate Dental Health Economist as a clinical expert
6.	British association for Study of Community Dentistry	Torafen Health Board	<input type="checkbox"/> Added	The British association for Study of Community Dentistry fulfils the criteria for consultee selection

APPENDIX F

7.	Association of Consultants and Specialists in Restorative Dentistry	National Public Health Service for Wales	<input type="checkbox"/> Added	The Association of Consultants and Specialists in Restorative Dentistry fulfils the criteria for consultee selection
8.	International Association for Dental Research (IADR)	KaVo Dental Ltd. UK	<input type="checkbox"/> No action	IADR is an international, not national, research group and therefore does not fit the criteria for commentator selection
9.	European Organisation for Caries Research (ORCA)	KaVo Dental Ltd. UK	<input type="checkbox"/> No action	ORCA is an international, not national, research group and therefore does not fit the criteria for commentator selection

10.	Royal College of Nursing	Royal College of Nursing "Angela Griggs, Chair of the RCN ENT/Maxillofacial Nursing Forum has reviewed the scoping documents. It is noted that the technology involved would be used within dental surgeries. The RCN will not be participating in this appraisal because the RCN does not have dental nurses in its membership who could contribute to this appraisal process. Dental practitioners are registered by the General Dental Council.	<input type="checkbox"/> Removed	Removed from the matrix as requested
