Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
			company, but I have not been involved in any projects which involve a diagnostic technology. However, Visible Analytics is undertaking a project for Echosens on evaluating FibroScan for assessing liver fibrosis and cirrhosis in primary care. I am not involved in the project in any way and measures have been taken (for example I do not have access to the project folder etc) to avoid potential conflicts. In addition, Visible Analytics is/has undertaken work for Lilly (which I have not been involved with) and Roche (which I have been involved with) but not in diabetes and regarding therapeutics and not diagnostics.
