Indicator

The contractor establishes and maintains a register of all cancer patients excluding non-melanotic skin cancers.

Indicator type

General practice indicator suitable for use in the Quality and Outcomes Framework.

This document does not represent formal NICE guidance. For a full list of NICE indicators, see our [menu of indicators](#).

To find out how to use indicators and how we develop them, see our [NICE indicator process guide](#).

Rationale

This indicator establishes a register of people with cancer with the aim of facilitating

support and management. People with non-melanotic skin cancer are excluded as they are unlikely to require continuing support after treatment.

Source guidance

This register indicator is intended to support implementation of NICE guidelines on cancer and patient experience.

Specification

A register of people diagnosed with cancer.

Exclusions: People diagnosed with non-melanotic skin cancers.
