Jo Jerome	None	None	None	Jo is the CEO of Thrombosis UK – a patient centred charity. The charity does respond to some NICE guidance papers and members sit / have been part, of review and guidance committees. Thrombosis UK received unrestricted educational grants for National Thrombosis Week 2016 and World Thrombosis Day 2015. These totalled less than 3% of the charity's annual income. These grants were made directly to the charity. As a representative of Thrombosis UK, she has presented at a 'Cancer Associated Thrombosis' training meeting held by a pharmaceutical company (Pfizer). She received reimbursement for travel costs and the charity received an honorarium, but she did not receive payment. She has sat on a VTE Advisory group organised by Pfizer-BMS and had travel costs reimbursed but personally received no payment. Thrombosis UK did receive an honorarium for this. She helped joint project manage the Anticoagulation Achievement Awards that were launched in 2017. This is a collaborative initiative between Thrombosis UK, AF Association, Anticoagulation UK, Arrhythmia Alliance, Anticoagulation in Practice and Thrombus. The awards are funded by multiple unrestricted educational grants.	Jo is a carer for a family member with multiple long-term conditions, many of which come under NICE guidance. She receives no payment for this. She has assisted in a family business which works to place automated defibrillators (AEDs) in communities and public accessible locations. Jo is a project manager on a Health Foundation Innovation Project, successfully funded at the start of 2016. The project focuses on early identification of upper GI cancers and is a collaboration between Cowgill Medical Practice, the Westcliffe Partnership pf Practices, Medical Practice and Oberoi Consulting. She is also a Public and Public Contributor with West of England AHSN and sits on the Patient Safety Committee, and is part of the ED Collaborative that particularly focuses on patient safety and quality improvements for ED. This group was recently awarded the HSJ Patient Safety Awards 'Best Patient Safety Initiative in A&E'.	05/09/2017
