MINUTES OF THE MEETING

Tuesday 28th September 2010

1.1 Agenda item 1:

- **Objectives**
No apologies were received. PB set out the objectives for the day. The group would discuss the stakeholder comments, where necessary decide on a response and agree any areas where the recommendations would need to be amended.
- **Declarations of Interest**
None declared
- **Minutes of the last meeting**
The minutes were agreed as an accurate account of the meeting.

1.2 Agenda item 2 & 3: Stakeholder consultation - key themes.

ASe presented the comments and themes that emerged from the stakeholder consultation. The group discussed the comments alongside the recommendations, making appropriate amendments to the recommendations, where necessary.

Following the meeting the technical team will write responses to the stakeholder, and finalise the recommendations. These will be sent to the GDG. Some concerns about implementation were expressed, and these will be fed back to the implementation team.

1.3 Agenda item 4: Update on QRG and UNG

KC showed the group the draft versions of the quick reference guide (QRG) & the understanding NICE guidance (UNG). Once the stakeholder comments had been considered any changes in the recommendations will be reflected in the UNG and QRG, and the group would then see up to date versions with the opportunity to give comments to the editor.

1.4 Agenda item 5: AOB & Close of meeting

KC discussed the timelines and what the next steps for the guideline are. There was no other business. PB closed the meeting and thanked the group for their contribution.
