Notes

1. SS, the chair and SP, the facilitator of the GDG welcomed the group. Apologies were received from Nick Gould, Paul McArdle, Paul Mitchell and Andrew Richards.
2. There were no interests to be declared.
3. The minutes from the previous GDG were reviewed and accepted.
4. SP updated the group about the meeting with Julie Royce, the NICE implementation advisor. A relevant interdepartmental meeting may be set up prior to consultation to ensure a smooth transition of implementing the guideline.
5. SP outlined the rest of the guideline process and highlighted areas where the GDG members will be asked to contribute.
6. MS updated the GDG on the progress made on the access to, and experience of care section of the guideline.
7. SP explained how User Voice and NCCMH are collaborating to organise a focus group and how the day will proceed. The GDG were asked to confirm which issues they wish to focus on and to assist in formulating the questions.
8. BA presented the preliminary results of the cost effectiveness HE model.
9. CW presented the meta analysis on psychological interventions, focusing on indicated prevention and treatment outcomes.
