Notes

1. The Chair welcomed the group to the fourth meeting of this GC. Apologies were received from BD, CP, AS, PW and RW.
2. The Chair reviewed and requested updates to the declarations of interest register. The Chair declared that in relation to previous declarations recorded in the DOI register, no actions applied. No new declarations were received.
3. The minutes and notes from the previous meeting were agreed as an accurate record of the meeting.
4. AC summarised the clinical evidence for non-invasive imaging (DTA and test and treat). LR presented the cost analysis on CCTA. The GC discussed the evidence and recommendations.
5. SS presented the clinical evidence for high sensitivity troponins (DTA and test and treat).

- The GC discussed the evidence.
6. AOB: there was no other business.

Date, time and venue of the next meeting:

GC5: Wednesday 18 May 2016, 10:00-17:00, Boardroom, NGC
