

## Obstructive sleep apnoea/hypopnoea syndrome and obesity hypoventilation syndrome Advisory Committee Interests Register

Register last updated: 02/07/2021

Name	Role with NICE	Type of interest	Description of interest	Relevant dates			Comments
				Interest arose	Interest declared	Interest ceased	
Martin Robinson	Guideline Chair		none				
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct - financial	Until December 2017 I was a member of the steering committee of Serve-HF trial of adaptive servo ventilation in heart failure patients with central sleep apnoea. The trial was sponsored by ResMed Co. The trial is now complete and steering committee ceased. I received attendance and travel fees during the duration the steering committee until December 2017.	June 2012	Upon application	December 2017	Non-specific. No action other than the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in	Direct - financial	I received an honorarium for lecturing at evening symposium at British Thoracic Society meeting in December 2017 on the history of non-invasive ventilation in chronic obstructive pulmonary disease. The symposium was funded by ResMed Co.	December 2017	Upon application	December 2017	Non-specific. No action other than the process of open declaration

	a tertiary referral centre						
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct - financial	I am an expert advisor to Santhera Pharmaceuticals for their application to European Medicines Agency for Committee for Medicinal Products for Human Use (CHMP) approval of the drug idebenone for application with the intention of slowing pulmonary decline in Duchenne Muscular Dystrophy. I have received fees for written evidence.	May 2017	Upon application		Non-specific. No action other than the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	ERS Practical handbook of Non invasive Respiratory Support 2015 Ed A K Simonds ERS Publications	2015	Upon application		Specific. No action other than the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep	Direct – non-financial. Professional and personal.	Simonds AK. 2017, Abnormal Sleep Conditions and Work, Chapter 36 p495-605 in 'Parkes Occupation Lung Disorders' Eds Newman Taylor A, Cullinan P, Blanc P and Pickering A. CRC Press, Taylor Francis. London ISBN 978-1-4822-4070-2	2017	Upon application		Specific. No action other than the process of open declaration

	physician in a tertiary referral centre						
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	Brill A-K, Moghal M, Morrell MJ, Simonds AK, 2017, Randomized crossover trial of a pressure sensing visual feedback system to improve mask fitting in noninvasive ventilation., <i>Respirology</i> , Vol: 22, Pages: 1343-1349. Study investigated whether a pressure sensing system with real-time visual feedback improved mask fitting.	2017	Upon application		Non-specific. No action other than the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	Carlisle T, Ward NR, Atalla A, Cowie MR, Simonds AK, Morrell MJ, 2017, Investigation of the link between fluid shift and airway collapsibility as a mechanism for obstructive sleep apnea in congestive heart failure, <i>PHYSIOLOGICAL REPORTS</i> , Vol: 5	2017	Upon application		Non-specific. No action other than the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory	Direct – non-financial. Professional and personal.	Hind M, Polkey MI, Simonds AK, 2017, Homeward Bound: A Centenary of Home Mechanical Ventilation, <i>AMERICAN JOURNAL OF RESPIRATORY AND CRITICAL CARE MEDICINE</i> , Vol: 195, Pages: 1140-1149	2017	Upon application		Non-specific. No action other than the process of open declaration

	and sleep physician in a tertiary referral centre						
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	Mitchell S, Riha RL, Rohde G, Simonds AK, 2017, Continuing professional development: introducing the ERS International Certificate in Respiratory Sleep Medicine, BREATHE, Vol: 13, Pages: 11-14	2017	Upon application		Non-specific. No action other than the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	Patel S, Kon SSC, Nolan CM, Barker RE, Simonds AK, Morrell MJ, Man WD-C, 2017, Sept e pub ahead of print. The Epworth Sleepiness Scale: Minimum Clinically Important Difference in Obstructive Sleep Apnea., Am J Respir Crit Care Med	2017	Upon application		Specific. No action other than the process of open declaration. Not reviewing the evidence for minimally important differences
Anita Simonds	Guideline committee topic adviser and	Direct – non-financial. Professional	Chatwin M, Hawkins G, Panicchia L, Woods A, Hanak A, Lucas R, Baker E, Ramhamdany E, Mann B, Riley J, Cowie MR, Simonds AK, 2016, Randomised crossover trial of telemonitoring in chronic respiratory	2016	Upon application		Non-specific. No action other than the process

	consultant respiratory and sleep physician in a tertiary referral centre	and personal.	patients (TeleCRAFT trial), THORAX, Vol: 71, Pages: 305-311				of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	Rosenzweig I, Glasser M, Crum WR, Kempton MJ, Milosevic M, McMillan A, Leschziner GD, Kumari V, Goadsby P, Simonds AK, Williams SCR, Morrell MJ, 2016, Changes in Neurocognitive Architecture in Patients with Obstructive Sleep Apnea Treated with Continuous Positive Airway Pressure, EBIO MEDICINE, Vol: 7, Pages: 221-229	2016	Upon application		Non-specific. No action other than the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	Savage HO, Khushaba RN, Zaffaroni A, Colefax M, Farrugia S, Schindhelm K, Teschler H, Weinreich G, Grueger H, Neddermann M, Heneghan C, Simonds A, Cowie MR, 2016, Development and validation of a novel non-contact monitor of nocturnal respiration for identifying sleep-disordered breathing in patients with heart failure. ESC HEART FAILURE, Vol: 3, Pages: 212-219	2016	Upon application		Non-specific. No action other than process of open declaration. Study does not meet review protocol.
Anita Simonds	Guideline committee topic adviser	Direct – non-financial. Professional	Simonds AK, 2016, Home Mechanical Ventilation: An Overview, ANNALS OF THE AMERICAN THORACIC SOCIETY, Vol: 13, Pages: 2035-2044	2016	Upon application		Non-specific. No action other than

	and consultant respiratory and sleep physician in a tertiary referral centre	and personal.					the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	Mitchell S, Simonds A, Andreas S, Bonsignore MR, Cooper B, Donic V, McNicholas WT, Morrell M, Palange P, Prest G, Riha R, Trang H, Randerath W, van der Grinten C, Verbraecken J, de Backer W, 2015, Introducing a core curriculum for respiratory sleep practitioners., Breathe, Vol: 11, Pages: 50-56	2015	Upon application		Non-specific. No action other than the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	Pearse SS, Sharma R, Wong T, Morrell M, Simonds A, Lane R, Mason M, Polkey M, Cowie M, Vazir A, 2015, Accuracy of a pacemaker-derived algorithm for the diagnosis of sleep disordered breathing in heart failure, EUROPEAN JOURNAL OF HEART FAILURE, Vol: 17, Pages: 297-297	2015	Upon application		Non-specific. Not part of a review question in the guideline.
Anita Simonds	Guideline committee	Direct – non-financial.	Voted Vice President European Respiratory Society (ERS) Sept 2018-Aug 2019, to then become President	September 2018	03/10/18		Non-specific at time of

	topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Professional and personal.	elect 2019-2020 and then President Sept 2020 -21. No particular role in sleep, main role advocacy of respiratory medicine in general. No financial payment.				declaration. . No action, but subject to review at each committee meeting dependent on the matter under discussion
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – financial	Two lectures at Sleep Down Under conference in Australia, one Keynote address on ‘Growing up and growing old on non-invasive ventilation’, and other in a Postgraduate course on ‘Transition Outcomes in neuromuscular disease’. Neither involve OSAHS, obesity hypoventilation syndrome or overlap syndrome. <a href="http://www.sleepdownunder.com/program/2018-program/?conferencedateid=144">http://www.sleepdownunder.com/program/2018-program/?conferencedateid=144</a> No financial payment. Travel and accommodation costs reimbursed.	October 2018	03/10/18	October 2018	Non-specific. No action other than the process of open declaration
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary	Direct – financial	Appointed Pulmonary adjudication (endpoint) committee member: Trial of gene therapy in X-linked myotubular myopathy (Sponsor Audentes – company do not manufacture any products used in OSAHS or obesity hypoventilation syndrome). Travel and expenses covered. Continuing until 2021.	May 2019	03/07/19		Non-specific. No action other than the process of open declaration.

	referral centre						
Anita Simonds	Guideline committee topic adviser and consultant respiratory and sleep physician in a tertiary referral centre	Direct – non-financial. Professional and personal.	Member of Healthcare Professionals Working Party, European Medicines Agency (EMA) – ERS nominated for Respiratory drugs (none considered for OSAHS or Obesity hypoventilation syndrome). Continuing until June 2022.	June 2019	03/07/19		Non-specific. No action other than the process of open declaration.
Ama Johal	Guideline committee co-opted member - orthodontist	Direct - financial	Speaker engagement fee received from companies involved in sleep disordered breathing and in particular a range of oral appliance therapy. Companies undertake all direct arrangements for organising meetings; CPD and catering involved.	2008	Upon application	September 2018	Specific. Agreed to give up all speaker fees. No action other than the process of open declaration
Ama Johal	Guideline committee co-opted member - orthodontist	Direct - financial	Speaker engagement fee received from British Dental Association & British Orthodontic Society, who sponsor introductory screening courses for Dentists wishing to learn about their role in sleep disordered breathing. The societies undertake all direct arrangements for organising meetings; CPD and catering involved.	2008	Upon application	September 2018	Specific. Agreed to give up all speaker fees. No action other than the process of

							open declaration
Ama Johal	Guideline committee co-opted member - orthodontist	Direct – non-financial. Professional and personal.	Vice-President of British Society for Dental Sleep Medicine	2017	Upon application	September 2018	Specific. Agreed to step down from role. No action other than the process of open declaration
Ama Johal	Guideline committee co-opted member - orthodontist	Direct – non-financial. Professional and personal.	<p>Published widely on mandibular advancement appliances (MAAs). Three articles are likely to be included in reviews in this guideline:</p> <ul style="list-style-type: none"> <li>• Johal A, Fleming P, Manek S, Marinho V. Mandibular advancement splint (MAS) therapy for obstructive sleep apnoea - an overview and quality assessment of systematic reviews. <i>Sleep and Breathing</i> 2015; 19: 1101-1108</li> <li>• Johal A, Jahaur P, Alqattan F, Kassim S, Mc Cloughlin K. The efficacy of mandibular advancement appliances as a treatment alternative to continuous positive airway pressure in moderate OSAHS. <i>Journal of Sleep Disorders and Management</i> 2016; 2:013.</li> <li>• Johal A, Haria P, Manek S, Joury E, Riha R. Ready-Made Versus Custom-Made Mandibular Repositioning Devices in Sleep Apnea: A Randomized Clinical Trial. <i>Journal of Clinical Sleep Medicine</i>. J Clin Sleep Med. 2017 Feb 15;13(2):175-182. doi: 10.5664/jcsm.6440</li> </ul>	2000	Upon application		Specific. Declare, stay to answer questions and withdraw for decision making related to mandibular appliances.

Ama Johal	Guideline committee co-opted member - orthodontist	Direct – non-financial. Professional and personal.	Provide advice to members of the British Orthodontic Society in regards to treatment of sleep disorders [particular MAA therapy]	2010	Upon application		Non-specific. No action other than the process of open declaration
Ama Johal	Guideline committee co-opted member - orthodontist	Direct financial	Private practice which is predominantly related to orthodontic treatment. 6 cases per year relate to providing mandibular appliances for sleep apnoea		Upon application		Specific. Stay to answer questions. Participant is already withdrawing for decision making related to mandibular appliances.
Ama Johal	Guideline committee co-opted member - orthodontist	Direct – non-financial. Professional and personal.	Gave unpaid lecture at the RSM on management of OSA	12/11/18	14/11/18	12/11/18	Specific. No action other than the process of open declaration
Ama Johal	Guideline committee co-opted member - orthodontist	Direct – financial	Oxford University Press. Oxford Case Histories in Sleep Medicine (2015) - text book royalties – nominal amount received twice annually.	2015	14/11/18		Non-specific. No action other than the process of open declaration
Ama Johal	Guideline committee	Direct - financial	Lectures on dental sleep medicine to 1 <sup>st</sup> dental graduates. NHS Education Scotland. Received travel	30/05/19	22/07/19	31/05/19	Specific. Declare, stay

	co-opted member - orthodontist		expenses, overnight accommodation and lost income replacement: £500 for two days annual leave.				to answer questions and withdraw for decision making related to mandibular appliances.
Ama Johal	Guideline committee co-opted member - orthodontist	Direct - financial	CARE convention Sleep. Lecture on oral appliances in OSA. Received £500 towards travel expenses, overnight accommodation and lost income.	11/06/19	22/07/19	11/06/19	Specific. Declare, stay to answer questions and withdraw for decision making related to mandibular appliances.
Ricky Jones	Guideline committee member – consultant physician providing sleep services in secondary care	Direct – non-financial. Professional and personal.	British thoracic society standards of care committee member <a href="https://www.brit-thoracic.org.uk/about-bts/bts-committees-and-advisory-groups/standards-of-care-committee/">https://www.brit-thoracic.org.uk/about-bts/bts-committees-and-advisory-groups/standards-of-care-committee/</a>	2019	Upon application		Non-specific. No action other than the process of open declaration.
Adrian Kendrick	Guideline committee member – consultant	Direct – financial	Presentation on the use of data management from CPAP devices as part of the CARE conference, which is organized and run by Fisher & Paykel (Speaker). This was a one-off activity.	June 2017	Upon application	June 2017	Specific. No action other than the process of

	clinical scientist						open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – financial	Institute of Clinical Science & Technology: Course Director MSc in Sleep & Research Co-Lead	2017	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – financial	Philips UK (Occasional Speaker) I have given a number of lectures on sleep/ CPAP and NIV over the years. This is a sponsored event set-up and run by the company open to delegates within a region of the UK. Over the last 12 months I have not spoken or attended such events, mainly due to non-availability – although I have been invited. The contents are mine and there is no direction or approval from Philips.	2015	Upon application	Ongoing	Specific. Declare, stay to answer questions and withdraw for decision making related to sleep devices.
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – financial	Medico-Legal Work – Failure to Provide Breath Specimens. This is an on-going work on an ad hoc process and relates mostly to driving under the influence. These are individuals who have failed to provide a roadside or police station breath test and I am asked whether or not, in my opinion they were capable of providing such a breath specimen. On occasions I attend court to provide evidence under cross-examination, and on other occasions I just write a report.  No cases related to OSAHs in recent years	2012	Upon application	Ongoing	Non-specific. No action other than the process of open declaration

Adrian Kendrick	Guideline committee member – consultant clinical scientist	Indirect financial	AMBRA Sistemi s.r.l (Italy) provide equipment at no cost to our department for research. This is not related to sleep apnoea. It's a complex method for assessing multifunctional relationships of breathing and blood flow in the lungs and how they are matched.	2017	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Indirect financial	Itamar (Israel) loan equipment to our department for research into sleep apnoea so that we can then consider this for use in our service on a routine basis and for research.	2017	Upon application	Ongoing	Specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct financial	Philips UK – Hospitality at Regional Sponsored Meetings	2014	Upon application	Ongoing	Specific. Declare, stay to answer questions and withdraw for decision making related to sleep devices.
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct financial	Philips UK – Hospitality at ERS annual conference	2013	Upon application	Ongoing	Specific. Declare, stay to answer questions and withdraw for decision making related to sleep devices.

Adrian Kendrick	Guideline committee member – consultant clinical scientist	Indirect financial	Philips UK provide equipment (CPAP/NIV and mask) to department. This is bought by the department as part of the NHS procurement systems.	2010	Upon application	Ongoing	Specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Indirect financial	SomnoMed UK provide equipment to department for Sleep Service (Bristol). This is bought by the department as part of the NHS procurement systems.	2010	Upon application	Ongoing	Specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Indirect financial	ResMed UK provide equipment (CPAP/NIV and mask) to department This is bought by the department as part of the NHS procurement systems.	2010	Upon application	Ongoing	Specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Rett UK – Clinical Trials Network Group member	2017	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Rett Alliance (Rett UK & Reverse Rett) – member of working group for the development of assessments and management of patients with Rett Syndrome	2016	Upon application	Ongoing	Non-specific. No action other than the process of open declaration

Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Rett UK – Medical Advisory Panel member	2015	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Association for Respiratory Technology and Physiology (ARTP) – Research Committee member	2011	Upon application	Ongoing	Specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Association for Respiratory Technology and Physiology (ARTP) – Sleep Consortium member	2005	Upon application	Ongoing	Specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Association for Respiratory Technology and Physiology (ARTP) – Education Committee member	1988	Upon application	Ongoing	Specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – financial	Non-Disclosure Agreement – Medico-Legal Work (Sleep Related)	April 2017	Upon application	September 2017	Specific. No action other than the process of open declaration. Contract

							ceased at start of development and therefore there was no further financial gain.
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Sleep Consortium/DVLA Group member	2016	Upon application	Ongoing	Specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	British Thoracic Society (BTS) – Education & Training Committee member	2010	Upon application	October 2018	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	European Respiratory Society (ERS) – College of Experts (Grant Application Reviewer)	2017	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant	Direct – non-financial. Professional	European Respiratory Society (ERS) – SpirExpert ( <a href="https://spirxpert.ers-education.org/en/spirometry/welcome-to-spirxpert/">https://spirxpert.ers-education.org/en/spirometry/welcome-to-spirxpert/</a> ). Website Co-Editor	2018	Upon application	Ongoing	Non-specific. No action other than the process

	clinical scientist	and personal.					of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	National Institute for Health Research (NIHR), Wellcome Trust & British Lung Foundation (BLF) – Grant Application Reviewer (Respiratory/Sleep)	2012	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Indirect financial	Airbus Innovate/UWE Co-funding PhD student – Co-supervisor. Project related to connected and autonomous vehicles (CAV) and not related to sleep apnoea.	2017	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Indirect financial	Philips (UK) – Funded PhD student under my co-supervision related to non-invasive ventilation (NIV) on exercise in respiratory failure in COPD	2012	Upon application	2014	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Non-Disclosure Agreement 1 – Equipment Manufacturer (Not related to sleep apnoea)	2015	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant	Direct – non-financial. Professional and personal.	Non-Disclosure Agreement 2 – Pharmaceutical Industry	2016	Upon application	Ongoing	Non-specific. No action other than the process

	clinical scientist						of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Non-Disclosure Agreement 3 – Pharmaceutical Industry	2017	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	National Research Ethics Service – Central Bristol Research Ethics Committee expert member	2013	Upon application	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Indirect financial	Discussion with industry partner regarding potential PhD project investigating the use of AI and telemonitoring in patients with Motor Neurone Disease using NIV.  Initial stages of discussion regarding possible funding and support over 5 year. Unlikely to commence until January 2020.	2018	03/10/18	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct financial	Discussion with industry partner regarding setting up and invited participation in a focus group regarding specific treatments in the acute setting in patients with respiratory failure.  The treatment is not one that is part of our schedule. It may lead to the development of guidelines in the future.	2018	03/10/18	Ongoing	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member –	Direct – non-financial. Professional	Discussion with Fisher & Paykel regarding application for MtAirvo to the NHS Innovation Technology Payment programme. Acting as a reference/supporter	2018	03/10/18	Ongoing	Specific. Declare, stay to answer

	consultant clinical scientist	and personal.	of the therapy – depends on successful first-round screening process.				questions and withdraw for decision making related to equipment
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct non-financial. Professional and personal.	ARTP National Sleep Courses. Industry partners who make CPAP masks pay to exhibit at the course and where appropriate to provide workshops to the course delegates. Industry has no input into any aspects of the course content and the ARTP does not influence any aspect of the industry led workshops. I am attending as course faculty.	2016	03/10/18	Ongoing	Specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – financial	European Respiratory Society (ERS) Conference dinner with education component included, paid for by Philips.	2018	03/10/18	2018	Specific. Declare, stay to answer questions and withdraw for decision making related to equipment.
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Non-Disclosure Agreement with pharmaceutical company in discussion regarding animal studies for drugs related to sleep-breathing issues. These are early stage discussions and will not lead to any conflicts as the drugs will not be available until well after guideline publication date.	2018	03/10/18	Ongoing	Non-specific. No action other than the process of open declaration.
Adrian Kendrick	Guideline committee member – consultant	Direct – non-financial. Professional	ARTP NIV course (Bristol)	May 2019	23/05/19	May 2019	Specific. No action other than the process of

	clinical scientist	and personal.	<p>Faculty lead with 4 suppliers – ResMed, F&amp;P, Philips and Breas in attendance at the lectures (Day 1) and undertook practical component within course.</p> <p>No input to content of any speakers presentations from suppliers. Financial support from suppliers as they paid to have a stand at the venue as well as participating in practical session. All delegates got to see all suppliers equipment within practical session</p>				open declaration.
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	<p>SW Regional Sleep Group Meeting</p> <p>Sponsored by Philips – fund the venue, provide hospitality (refreshments and lunch) and co-organized speakers.</p> <p>Delegates – members of staff running sleep services in SW region and attending regardless of principal supplier at their place of work.</p> <p>The programme has had my involvement. Some are Philips sessions; all others are practitioners in SW and have had no input from Philips in terms of content. I am giving a presentation on NICE Guidelines. This is my presentation and no input from Philips. I’m not sponsored by Philips to be in attendance – I’m representing my Trust who are funding my travel expenses and time out. Attending with my Operations Manager and x2 staff members. Presentation approved by NGC technical team. Only covers scope of current guideline as per public webpage. No discussion of any of the current specific work and decisions of group to be provided as per confidentiality</p>	24/05/19	23/05/19	24/05/19	Specific. No action other than the process of open declaration.

			agreement. Interactive component – more about how we do things in SW so we can discuss things within the SW. Will provide useful information to SW and happy to provide outcome to NICE if requested.				
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct financial	Paid £250 for Philips Education Day lecture on how to apply scientific software for understanding complex physiological measurements on non-invasive ventilation (NIV). No direct influence on work of committee.	September 2019	09/10/19	September 2019	Non-specific. No other action that the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct financial	Non-disclosure agreement with manufacturer. Acting as an expert for research and development on aspects of non-invasive ventilation (NIV). No direct influence on work of committee. Paid £1000 plus travel expenses.	November 2019	20/11/19		Non-specific. No other action that the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Non-disclosure agreement exploring a new methodology for assessment in sleep disorders. No funding involved.	October 2019	20/11/19	July 2020	Non-specific. No other action that the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct financial.	Educational meeting dinner paid for by Philips at European Respiratory Society (ERS) meeting in Madrid. Paid for own accommodation and travel.	October 2019	16/12/19	October 2019	Specific. Declare, stay to answer questions and withdraw for decision making related to equipment.

Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct financial.	Speaker and dinner for Vitalograph at European Respiratory Society meeting in Madrid. Educational meeting dinner paid for by Philips. Paid for own accommodation and travel.	October 2019	16/12/19	October 2019	Specific. Declare, stay to answer questions and withdraw for decision making related to equipment.
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	Symposium peaker at European Respiratory Society meeting in Madrid. Not related to sleep.	October 2019	16/12/19	October 2019	Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – non-financial. Professional and personal.	I am currently advising on technical issues of pulse oximeters to MHRA, in terms of whether they work in dark skin pigmented people versus light skin pigmented people. This may encroach on their use in sleep studies in terms of how they actually work. The important point is this applies to oximetry alone, oximetry in respiratory polygraphy and oximetry in full polysomnography	2021	11/05/21		Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee member – consultant clinical scientist	Direct – financial.	I have been appointed as a Respiratory Expert Advisor to MHRA. I will be paid each time I give advice. I have not done any paid work yet.	2021	11/05/21		Non-specific. No action other than the process of open declaration
Adrian Kendrick	Guideline committee	Direct – non-financial.	I have a focus group meeting with Jazz Pharmaceuticals on Friday 25th June 2021 to discuss	25/06/21	11/05/21		Non-specific. No action

	member – consultant clinical scientist	Professional and personal.	aspects of therapeutic approaches in the management of sleep.
