

Dear Chris

Thank you very much for the opportunity to comment on the consultation documents pertaining to the above appraisal.

We note NICE's intention to apply the "End of life Medicines" criteria to appraisals considered from January 2009. We fully support this aim and are of the view that the products included in this appraisal are highly likely to meet the intended criteria.

If you have any questions or require any further information please do not hesitate to contact me.

Yours sincerely
