**Health Technology Appraisal**  
**Growth failure (in children) - human growth hormone (HGH) (review)**

Dear Consultee/Commentator,

Following consultation on the draft scope, and responses received, the Institute is currently liaising with the Department of Health regarding the process of splitting the scope into two.

Please be advised that you will be informed of the outcome and will have the chance to consult on the separate scopes when finalised.

If you have any questions or queries please contact the Project Manager for this appraisal, Ms Natalie Bemrose ([natalie.bemrose@nice.org.uk](mailto:natalie.bemrose@nice.org.uk); 020 7067 5930).

Thank you,

Shaun
