

NATIONAL INSTITUTE FOR HEALTH AND CLINICAL EXCELLENCE

Single Technology Appraisal (STA)

Ipilimumab for the treatment of malignant melanoma

Response to consultee and commentator comments on the provisional matrix of consultees and commentators

Version of matrix of consultees and commentators reviewed:					
Provisional matrix of consultees and commentators sent for consultation					
Summary of comments, action taken, and justification of action:					
	<i>Proposal:</i>	<i>Proposal made by:</i>		<i>Action taken:</i> Removed/Added/Not included/Noted	<i>Justification:</i>
	Remove Policy Research Institute on Ageing and Ethnicity from relevant research groups commentators	Policy Research Institute on Ageing and Ethnicity		Removed	Policy Research Institute on Ageing and Ethnicity do not wish to participate in appraisals
	Remove National Council for Palliative Care from patient/carers groups consultees	NICE secretariat		Removed	National Council for Palliative Care would only like to participate in palliative related appraisals.

	Please move 'National Cancer Research Institute' and 'Melanoma Study Group' from Commentator list to Consultee list.	Bristol – Myers Squibb		Not transferred	National Cancer Research Institute and Melanoma Study Group are research groups and correctly listed as commentators for technology appraisals.
