Dear ██████████

Final Appraisal Determination: aflibercept for the treatment of metastatic colorectal cancer

I am writing to confirm that there will be an appeal against the FAD for aflibercept for the treatment of metastatic colorectal cancer on 23 January 2014 in London. You are very welcome to attend as observers, but as I rejected your appeal point at initial scrutiny and as you were unable to respond to my letter within a reasonable time frame, I am afraid that you will not be taking part in the proceedings.

Yours sincerely
